USU Extension Co-sponsors Utah Marriage Celebration

Utah State University Extension co-sponsors the Northern Utah Marriage Celebration held at the Weber State University Shepherd Union Building Friday, Feb. 8, from 4 to 9:30 p.m.

Designed as a date night for those who want to prepare for or strengthen their marriage, the marriage celebration features workshops presented by professionals from Northern Utah. Workshops include such topics as intimacy, communication and staying

connected.

The conference begins at 6 p.m. and includes two workshop sessions. Bonus workshop sessions, including topics on communication, parenting and others, are available from 4 to 5 p.m. and 5 to 6 p.m.

Keynote speaker Darin Adams' presentation, "Make the Adventure Last," concludes the evening. Adams is an award-winning speaker whose goal is to help people find happiness and success by tapping into their passions. After 30 years as a TV broadcaster, including 7 years as a host of KSL-TV's Studio 5, he now travels around the world, presenting to both individuals and businesses.

"We are excited about this event," said Naomi Brower, USU Extension family and consumer sciences faculty for Weber County. "We have a fantastic lineup of speakers and we are confident that the couples that attend will come away with information and skills to enhance their relationship."
