

First Detector Workshop

EXTENSION 
UtahStateUniversity

**Friday
September 21
9AM–2PM**

**USU Kaysville
Botanical Center**

80 East Segoe Lily Dr
Kaysville, UT 84037

Join USU Extension and the Utah Plant Pest Diagnostic Lab at the Botanical Center in Kaysville for a day of First Detector Training. First Detector Training is a national program that trains citizens to recognize and report new invasive pests that attack our agricultural and natural resources. Highlighted pests will include brown marmorated stink bug, spotted lanternfly, emerald ash borer, and others!
