Jay Sutherland, 20 Bar Ranch

Game bird management
Fuzzy Stock, Fuzzy's Pheasant Farm, Estancia, NM

March 4

Tour of Jay Sutherland's breeder farm and hatchery (20 Bar Ranch)

Attendance and Participation – Game bird producers and all others interested in game bird production are invited to attend. Speakers consist of recognized experts in game bird management and health.

Registration – An attached registration form is included with this mailer. Please cut out and send completed form and registration fee (check or money order) to **Dr. David D. Frame, 255 East 200 North, Ephraim, UT 84627** by February 17, 2017. Registration includes refreshments, lunch, and a flash drive containing the proceedings. Registration (cash or check) will also be taken at the door. Included, for those who would like to stay, is a tour of Jay Sutherland's breeder farm and hatchery on March 4 from 9:00 a.m. to noon.

Accommodations – Meeting will be at the Utah State University Extension office, located at 160 North Main Street, Nephi, Utah. There are various motels within two miles of the meeting venue. Please visit <http://www.juabtravel.com/lodging.htm> for information.

Special acknowledgements – We are most grateful for the generous support for this symposium from the Utah Department of Agriculture and Food, Royd Hatt (Hatt's Ranch), Jay Sutherland (20 Bar Ranch), Foster Farms, and Utah State University Extension.

Program Information – For further information about the symposium or other questions, please contact Dr. David Frame at (435) 851-2233 or Royd Hatt at (435) 749-9992.
