

Community Club Volunteer *INFORMATION NIGHT*

June 8th, 2017, 7 to 8:30 p.m.

**Jordan Applied Technology Center
12723 Park Ave, Riverton, UT 84065**

We are ready to get our Community Clubs up and running, but we need adult volunteers! We are searching for people dedicated to 4-H youth development to help fill various leadership roles within our upcoming community clubs.

This will be a night to ask questions about what a community club entails and what being one of our community club leaders will be like! Anyone interested in learning more about the position is welcome to attend!

Refreshments will be served!
