

ASSUMPTION OF RISK AND LIMITED RELEASE AGREEMENT WINTER

Please read and sign.

In consideration for being permitted by the Alumni Association/Brigham Young University to participate, and as an inducement to permit me to participate in the programs and activities of Aspen Grove Family Camp and Conference Center, I, the undersigned, recognizing the hazards and dangers inherent in said activity(s) and/or transportation to and from said activity(s), and already knowing or having been advised of said dangers and fully acknowledging the risk of injury or death inherent therein, whether by my own actions, the actions of others, or events beyond my control, do hereby agree to assume, and do knowingly and voluntarily assume, full responsibility for all the risks surrounding my participation in said activity(s) and any other activity(s) undertaken; and, furthermore, for myself, my heirs, and personal representative(s), I hereby fully release the Alumni Association and Brigham Young University and all its officers, employees, and agents, without any limitation or qualification, as to any and all liabilities, claims, demands, and actions that might be made by me on account of any losses, expenses, or damages of any kind concerning property or personal injuries (physical or emotional) or death that may result, directly or indirectly, from participation in the aforesaid activity(s), unless any such damage or injury is primarily the direct result of a negligent act or omission by Brigham Young University or any of its officers, employees, or lawful agents and not caused in part by my own or my family's negligence.

UTAH STATE LAW PROVIDES THAT no skier may make any claim against, or recover from, any ski area operator for injury resulting from any of the inherent risks of skiing. "Inherent risks of skiing" means those dangers or conditions which are an integral part of the sport of skiing, including, but not limited to: changing weather conditions, variations or steepness in terrain; snow or ice conditions; surface or subsurface conditions such as bare spots, forest growth, rocks, stumps; impact with lift towers and other structures and their components; collisions with other skiers; and a skier's failure to ski within his own ability. Therefore, by choosing to ski at Aspen Grove, you assume all risks of personal injury, death, and damage to and loss of property resulting from the inherent risks of skiing.

The undersigned, by his/her signature below, affirms he/she has carefully read this assumption of risk and limited release agreement, understands its contents and purposes, and voluntarily agrees to all the terms set forth above.
