Happy New Year!

As most of you are aware, the new 4-H year begins on October 1. This means that it's time to re-enroll for the 2016-2017 year. To do this, you will need to log in to your profile and/or family at ut.4honline.com, select the member/volunteer name that you want to re-enroll and click on "edit". At the bottom of that person's profile page there will be a button titled "Enroll for 2016-2017". Click it and continue on through the pages.

The annual 4-H enrollment fee is \$10/youth for 4-H club membership. This fee provides accidental insurance during 4-H activities and events and covers county program administrative costs. (Adult volunteers do not pay fees.) **4-H enrollment fees are due at the time of enrollment.**

Payment options: (1) Cash, check, and credit cards accepted in person at the 4-H office. (2) Checks may be mailed to the 4-H office - please include the names of the 4-H members that you are paying for so their account can be credited, (3) credit cards accepted over the phone in the 4-H office.

We have added an online option to submit your fee payment. The link is provided on the "Confirm" page in the payment instructions box.

4-H Achievement Night

4-H members work hard all year! This event provides an opportunity to celebrate and award the hard work and accomplishments of our 4-H youth.

The Salt Lake County 4-H Achievement night is for all 4-H members, volunteer leaders, and 4-H families. We will be having a potluck dinner, awards, and more! Please **mark your calendars** and help us recognize all the amazing 4-H youth we have in our county!

The event is scheduled to take place on November 3, 2016 from 6:30-8:00 p.m. at the Sandra N. Lloyd Community Center (12830 S. Redwood Rd.) in Riverton, Utah.

The 4-H office will provide the main dish, rolls, and drinks. We'll ask 4-H families to bring a side dish and will post a selection schedule and RSVP in the near future.

Making the Best Better!

4-H'ers across the nation are responding to challenges every day in their communities and their world.

As the youth development program of the Cooperative Extension System of land-grant universities, 4-H is the nation's largest youth development organization, empowering six million young people throughout the United States. Cooperative Extension of 1862 and 1890 land-grant universities provide the leadership to engage young people in 4-H in all 3,007 counties of the United States. The impact of the Cooperative Extension partnership is profound, bringing together National Institute of Food and Agriculture of USDA, land grant universities and county government to resource learning opportunities for youth.

Through America's 110 land-grant universities and its Cooperative Extension System, 4-H reaches every corner of our nation—from urban neighborhoods to suburban schoolyards to rural farming communities. With a network of more than 6 million youth, 611,800 volunteers, 3,500 professionals, and more than 25 million alumni, 4-H helps shape youth to move our country and the world forward in ways that no other youth organization can.
