RULES FOR SALT LAKE COUNTY 4-H HORSE SHOWS

1. GENERAL STATEMENT OF PURPOSE

The purpose of the Salt Lake County 4-H horse shows is to help 4-H youth solidify some of the learning experiences gained in their local 4-H clubs. Education is our primary purpose. The rules of our shows are established with the idea that we reach that purpose in a safe manner. It is hoped that citizenship and sportsmanship will also be learned at our 4-H horse shows. 4-H standards will be enforced at all times for both adults and youth.

2. GENERAL ARENA POLICIES

The Salt Lake County 4-H Horse Council has two arenas at the Bastian Agricultural Center available each week for registered clubs to use for practice. Each club shall pay to the Horse Council a \$125.00 fee to use an arena one day each week for a two and a half hour period. Clubs may coordinate with each other to share arena space. The arena fee is due by April 1, failure to pay the arena fee forfeits that club's time slot and will be open to replacement by other clubs at discretion of Executive Horse Council and program needs. Auxiliary Programs will be given one time slot at no charge if time is available.

Any club who wants a 4-H designated time slot at the Bastian Agricultural Center needs to contact the President prior to or at the January rules meeting. First priority will be given to clubs that had reservations for the previous year, and paid the previous fee in full, for their existing time. If there is a time slot available, and more than one club requests the same time there will be a drawing to determine who will receive that reservation.

3. GENERAL RULES FOR WESTERN HORSE SHOWS

The basic rules contained in the Utah State 4-H Western Horse Rule Book will be followed, and the attached rules are a supplement for use in Salt Lake County. Show management and judges have authority to excuse from shows those who refuse to follow these rules. The show management and grievance committee will interpret all rules and have the final say in all matters.

The club leader is responsible for assigning the stalls of the club block and making sure they are clean and if not, collecting the \$25. If they are having problems with that collection they can ask the council for help, youth who were in uncleaned stalls will not be allowed to show until the fee is paid. **Any member that fails to clean a stall more than once will lose their privilege to get a stall in the future for the remainder of the current show season and the entire following show season.**

The purpose of this committee is to:

- react to written protests;
- watch for and react to abusive behavior towards horses or people by parents, exhibitors, guardians, helpers or horse handlers inside or outside of the arena; and
- watch for and react to the administering of performance altering drugs or substances. If there is a conflict with one of the grievance members, they should find an additional member to serve on the committee and abstain from voting.

3.21- Show Officials:

The show officials will not allow an unruly or unsafe animal to be shown or an unsafe situation to exist anywhere on the grounds. If a horse is pulled by the judge or any management official, it may not go into another class for the same event.

The show officials will not allow an unsound or unfit animal to be shown. If a horse is identified by a judge or any management official as being unsound or unfit, a meeting will take place with the Grievance Committee, the 4-H participant, and their parent/guardian. A plan of action will be formulated and a decision to continue will be based on the outcome of the committee. Before the next show, proof of improvement, or a vet's certificate stating that the unfitness or unsoundness cannot be corrected, **and that the vet feels the horse is safe to be shown**, must be given to management officials. If neither of the above is provided and the same condition exists, entry in the show with said horse will not be allowed.

3.22- Members are encouraged to talk to the judge about his/her problems before leaving the arena. If a judge is not available, then a member is encouraged to talk to the judge about his/her problem immediately following the conclusion of the respective age group class. Parents cannot talk directly to the judge and if parent or youth harassment of the judge occurs, the member will be disqualified.

3.23- If accommodations need to be made for a participant to leave the show early, they must notify show management **prior to the show starting**. Accommodations may be made but they will be required to show with the show schedule and arena schedule in their respective age group.

3.24- Gate calls will be in numerical order, unless otherwise changed by show management in certain conditions for specific events. Numerical order may be reversed for different events. If the event is meant to be in numerical order and a member is out of numerical order, they must go to the end of the line or at the discretion of the gate judge.

3.25- January Rules Meeting is open to parents, leaders and 4-H members. Rules can be changed at that January meeting by a two-thirds (2/3) vote of those present with voting power. Voting on the proposed rule changes will be according to By-laws.

3.26- All horses moving at an inappropriate gait should move to the inside of the arena and reposition to one horse length.

3.27- Written notice of donations for prizes at horse shows must be submitted in writing to the 4-H Office for thank you letters and other tracking to be completed. Must also follow all the Extension and 4-H charitable donation handling policies.

3.28- Any event may be changed in these rules to the same event the State Horse Council will use at state horse shows. This change will occur automatically and without vote.

3.29- For any judged events that require a pattern, the pattern will be published AT LEAST 2 weeks (14 days) before the show they are to be used for.

4. JUDGED EVENTS

REGULAR PROJECT HORSE CLASSES INCLUDE:

Fitting and Showmanship (aka Showmanship @ Halter)

Western Rail Work

Western Trail (2023/2024)

Rules as established in the Utah State 4-H Western Horse Rule Book. (Except those not adopted by the Salt Lake County 4-H Horse Program, these are specially noted.)

4.1- No in-county judge may be used unless no others can be found.

4.2- Every effort will be made to not have the same Judge, judge an age group more than once during the show day.

4.3- At the County Fair¹, participants may be recalled for recognition and competition for 1st through 6th place in the class, at the judge's discretion.

4.4- Every effort will be made to not duplicate judges during the year - per division.

4.5- Every effort will be made to get judges that have no direct affiliation with any 4-H'er including lessons, training, relatives.

4.6- Every effort will be made to get judges from the certified list of Judges from the County Extension office.

4.7- A broken pattern in any judged event will be a disqualification and will be awarded an orange ribbon.

- A broken pattern is defined as not performing an obstacle or maneuver in the correct order, missing or eliminating an obstacle or maneuver, failing to attempt to perform an obstacle or maneuver, being on the wrong side of a cone or marker with no attempt to correct it.
- A failed attempt at a maneuver or obstacle in a judged event is not a broken pattern and it will not result in a disqualification; however, score reduction will be reflected for failed attempts.
- Only 2 attempts per obstacle are permitted in judged events. If refused on the 2nd attempt, the exhibitor should advance with it reflected in the maneuver score as a failed attempt.

*Please note: the horse council will make every effort before the show to remind the judges on the difference between a broken pattern (skipping a maneuver or obstacle entirely) and a failed attempt (which would be reflected in the maneuver score, but not as a DQ), but ultimately the judge determines whether an exhibitor broke the pattern.

5. TWO-HANDED

5.1- Two-handed rules will be the same as in the Utah State 4-H Western Horse Rule Book. Events include: Test (mandatory), Showmanship at Halter (mandatory), Western Rail Work, Trail and Western Horsemanship.

5.2- Two Handed horses can compete in Salt Lake County for four years but can only go to State Individuals three years.

5.3- Two Handed shows will be open to all other counties for participation. State awards will not be available to kids outside of Salt Lake County.

5.4- There will be three contestant age groups-Junior, Intermediate, and Senior. If any age group is smaller than 10 exhibitors, the exhibitors may be combined in the arena to perform the class(es) at the same time at the discretion of show management. However, they will remain judged as their individual age group, tests will be given as their individual age group and awards to be given as the separate age groups.

6. IN-HAND

6.1- In-Hand rules will be the same as in the Utah State 4-H Western Horse Rule Book. Events include: Test (mandatory), Showmanship at Halter (mandatory), Longe Line, and In Hand Trail.

6.2- There will be three contestant age groups-Junior, Intermediate, and Senior. If any age group is smaller than 10 exhibitors, the exhibitors may be combined in the arena to perform the class(es) at the same time at the discretion of show management. However, they will remain judged as their individual age group, tests will be given as their individual age group and awards to be given as the separate age groups.

6.4- Horses competing in the In-Hand show must be registered in the county as a project horse according to the county's deadline. Any 4-H contestant meeting these criteria and having county approval may participate at the State In-Hand Show.

6.5- The purpose of these classes is to give 4-Her's an opportunity to exhibit a young horse they have trained. The in-hand classes demonstrate the partnership between the youth and horse and provide opportunity to give young horses a solid foundation. It is intended that the 4-Her be responsible for the primary training effort assisted by individuals with experience starting horses.

6.6 In-Hand Class Rules

6.6.1- Horses must be 1, 2, or 3 years old, with a limit of two years of eligibility in the In-Hand show. The age of a horse is computed by the calendar year starting on January 1 of the year foaled. A horse is considered a weanling during the calendar year in which it is foaled and a yearling (1-year-old) during the first calendar year following foaling date, regardless of actual birthdate.

6.6.2 - Stallions are prohibited at any 4-H sponsored event.

6.6.3- To be eligible for in-hand classes, horses **cannot** have been ridden under saddle at any 4-H sponsored event.

6.6.4- The 4-H member should own or lease their In-Hand project horse and be the principal handler, with the guidance of an experienced horse trainer or other expert.

6.6.5 - During in-hand classes, touching the horse with your hand, a whip, or any other equipment will be a penalty unless otherwise noted in the class rules. Striking the horse with your hand, a whip, or any other equipment will result in disqualification and excusal from the arena.

7. TIMED EVENTS

CLASSES INCLUDE:

Pole Bending

Barrels

Quadrangle (2023/2024)

Rules as established in the Utah State 4-H Western Horse Rule Book. (Except those not adopted by the Salt Lake County 4-H Horse Program, these are specially noted.)

7.1- Appropriate attire includes an approved helmet, western traditional boots, long pants, and a shirt with enough sleeves to put a 4-H patch on.

7.2- If a contestant's event pattern has been interfered with, they have the option for a re-ride under show management and executive horse council approval.

7.3- The official timers are the judges for any abuse, broken patterns and penalties, with the exception of the Keyhole event, where line judges will be used.

7.4- Straight 1/3 will be used to score speed events including DQ's.

7.5- In speed events all of one age group must run on the same track.

7.6- In speed events a RAKE PATTERN after every ten (10) but no more than fifteen (15) contestants – at contestant's discretion – to be used.

7.7- No youth shall be a judge in a timed event without adult supervision.

7.8- All times must be recorded (even broken patterns).

7.9- If needed for the safety of horse and rider, contestants/handlers may lead their horse into the arena and mount the horse prior to running.

7.10- A horse will be allowed to continue in a forward motion in an established alleyway 20 to 25' in length. The gate must be closed immediately upon the horse entering the arena.

7.11- A broken pattern is a disqualification and always earns an orange ribbon. A broken pattern is not doing an obstacle or maneuver, not in the correct order, or not on the correct path. A pattern is considered broken even if the horse and rider turn around or back up to retrace steps to the point of error and correct the pattern without prematurely crossing the finish line. Using a lateral movement to correct a pattern going astray before passing an obstacle is acceptable, but once an obstacle is passed it is considered a broken pattern because it will necessitate some form of reversed progression on the path, or an addition of maneuvers.

7.11.1- Speed events which contain a jump will be permitted 2 refusals per jump. Refusals are defined as stepping back with one or more feet which does not disturb an obstacle or pass an obstacle. After 2 refusals the unsuccessful third try will result in disqualification. Lateral movements are permitted and not considered a refusal. Circling is considered adding a maneuver and it is an automatic disqualification as the pattern has now been broken.

8. SHOW SCHEDULES:

8.1- 1st, 2nd, and 3rd Shows: All age groups will compete in a ONE DAY show (Saturday). Two-Handed Shows: All Two-Handed & In-Hand age groups will compete on a separate date (Friday).

8.3- English and Working Ranch Horse, will be held on separate days.

8.4- A class for volunteers MAY be added to the County Fair¹ who give 15 or more hours of service prior to the County Fair¹. A form must be signed by a club leader or council member to certify that the volunteer gave 15 hours of service by helping at shows, clubs, serving on the horse council, or other approved 4-H functions. The Volunteer class would participate in the County Fair¹ only. Volunteers who wish to participate must pre-register so class size can be determined. The class would follow one of the other age groups based on size. Awards (if any) would be determined by budget. All Novice (A&B) will follow the Juniors for pages that test questions will come from at each show. In Volume 2 of the Utah 4-H Horse Program Study Material there are QR codes that will lead to additional resources, these may be used to create bonus questions. The chart below outlines what pages test questions will be from at each show based on age group.

9.3- ~~Separate test to be given for English by grade group.~~ Each contestant will take only one test (no matter how many western division(s) they are competing in. i.e.: Two-Handed, In-Hand, Western Individual) if there is an ONLINE TEST FORMAT, and that test score will be used for each division the contestant competes in. However, if there is an IN_PERSON test format there will be separate tests for Two-Hand/In-Hand division and Western Individual division. ~~Separate test to be given for English and Working Ranch Horse by grade group.~~

9.4- Test score will be used to break all ties.

9.5- No active 4-H member can grade the tests.

9.6- Test scores are added together from the best show between 1st, 2nd and 3rd, plus High Point Horse Show and used to break ties for State Individuals when needed.

9.7- Ties on test, at High Point Show, will be broken by adding the best 2 shows of 1st, 2nd, and 3rd show test scores to High Point Show test scores. If a tie still exists, the Test Coordinator will pre-determine a section on the test to be used for breaking ties.

9.8- Test ribbon placings will be awarded in exact thirds. When this is not possible due to a tie all contestants in the tie will be given the higher ribbon placing. When exact thirds are not possible due to the number of participating contestants, the break should be made with the majority of participants being given the higher ribbon placing.

9.9- Test for all age groups will consist of 45 questions.

9.10- If there is an error on the test, everyone will be awarded a point for this question. Salt Lake County did not adopt the rule from the state rule book that says: “After the first person finishes the test then no other tests will be handed out and anyone that has not started the test at that time will be disqualified from the show”

PAPER/IN PERSON TESTS:

9.11- ALL age groups to be in their designated areas at show starting time in 1st, 2nd, 3rd, and High Point Show(s), in the stands. A 4-H patch must be worn on the left sleeve at the test or participant(s) will be docked one (1) ribbon point. (Do not have to be in show attire).

9.12- Members needing special attention should contact the leaders or agent and they will assign someone to help. Parents are not allowed to read the test to their own child.

9.13- All written tests will be graded and returned as soon as possible on the day of the test. The test will be available for review with the test coordinator at registration within 3 hours after the completion of test grading. The participant's leader or parent/guardian may accompany the participant for support. Any changes in score must be directed to the Registrar for recording at the current show. In 2-Handed, the test will be available for review within 1.5 hours after the completion of the grading or until the completion of the last class of the show, whichever is longer, unless the 2-Handed show is combined with the regular show day.

9.14- No electronic devices allowed during the test. Once the test is started, if caught using an electronic device it will be considered cheating. Any form of cheating will automatically be disqualified from the show. The participant caught cheating may be allowed to show exhibition only at discretion of the executive council.

ONLINE TESTS:

9.15- Online tests will be given a designated testing window for the youth to complete prior to the start of the show. The deadline to take the test will end the day before the 2-Handed/In-Hand show at 10 pm.

9.16- Juniors and Novice will have 40 minutes to complete the test, Intermediates 35 minutes to complete the test, and Seniors 35 minutes to complete the test.

9.17- Due to the online format the test is technically considered open book, but youth will still be expected to do their own work, follow the 4-H Honor Code, and take the test by themselves without any guidance or help (aside from a test reader or technical assistance if needed).

9.18- The test committee will make their best effort to try and create the test with measures to avoid ties, however, if there is a tie the contestants may be asked to stay in the bleachers after the morning

meeting and take a written tiebreaker test.

9.20- As decided upon by the executive council, a youth may make a request to the Executive Horse Council and Extension Office to take the test in person by paper/pencil with a reader. Accommodations will then be made for such youth to take the test on the evening of the 2-Handed/In-Hand show, but before the start of that show, with a one (1) hour time limit. As with the online format, in person youth may have their book(s) with them. Please know this is a special request only and should be made only in such circumstances that the child is in need of the extra care of the paper/pencil test taking skill. If you enter the online access code at any point you will be required to take the test in that format.

9.21- If you feel that a question got marked wrong and should be correct you will need to download the test, print it out, and bring it to the show office for review with the test coordinator during the test corrections window of time. Any dispute will only be taken at the show with the printed test in hand. The participant's leader or parent/guardian may accompany the participant for support. Any changes in score must be directed to the Registrar for recording at the current show.

County 4-H Staff and County Horse Councils are responsible for working together to find the average participants for each age group in order to determine the qualifying riders that will be eligible to attend the Western Individual Show. In situations arising that the person cannot show, the next ranked rider will move up.
