

## SR8T SHOOTERS 4-H Club

### Safety Rules:

- While on the firing line, firearms may be handled/touched only with the permission of the event judge/range operator. Actions of uncased firearms must be open except when the firearm is on the firing line, ready to fire.

Firearms are to remain unloaded until a competitor is on the firing line and has received instructions from the event judge to load/fire. Arrows will remain in a quiver when they are not being shot from a bow. Firearm muzzles are to be pointed in a safe direction. The position and direction of firearm muzzles and arrows should be such that accidental injury to others cannot occur.

- Listen and obey all range commands immediately. Dry firing of firearms is permitted only on the firing line with the judge's permission. Eye and hearing protection is each participant's responsibility and must be worn. Participants including competitors, coaches, judges and spectators MUST wear adequate eye and hearing protection while on the firing line or while near a firearm range.

- When not shooting a firearm, it will be placed in a gun rack, stored in a case, or locked in an automobile. While standing at the firing position, arrows may be handled/touched only with the permission of the event judge/range operator. Arrows may be nocked only when the shooter is on the archery shooting line and has received instructions from the event judge to nock an arrow/shoot.

- When competitors are carrying/transporting firearms - not actually shooting the firearm - the firearm is to remain unloaded and the action is to remain open. During the competition, if firearms and/or ammunition are/is stored in vehicles, the vehicles are to remain locked. When competitors are carrying/transporting archery equipment – not actually shooting the bow - the arrows are to remain in a quiver that shields the arrow points.

- No shooting sports equipment is allowed on the USU campus. Keep all firearms and ammunition stored separately in locked containers. **Contestants must provide their own equipment and factory-loaded ammunition, including eye and hearing protection.**

- It is the responsibility of 4-H Shooting Sports participants to assure that their shooting sports equipment operates properly, and that the equipment is appropriate for use in the State 4-H Competition.

**While attending 4-H activities and events, I will:**

- All youth must be accompanied by an adult at each activity.
- Obey all rules established by the 4-H program, the local club/program and all local, state and federal laws.
- Conduct myself in a courteous manner and be respectful of the authority of adult volunteers, youth leaders, 4-H staff and others in leadership roles.
- Not use, accept or carry alcohol, drugs or tobacco, or associate with or remain in the presence of others using the substances.
- Respect all persons, facilities and vehicles. I will be responsible for any damage caused resulting from my behavior.
- Help others have a pleasant experience by making every attempt to include all participants in activities.
- Use appropriate language and dress appropriately for each event.
- Acknowledge that searches of personal property may take place when there is reasonable suspicion of violations of law or policies.

**I have read the 4-H Code of Conduct and agree to live up to these expectations while participating in 4-H programs and events. I am aware that my actions and decisions affect others. I understand that my failure to act with good character could result in consequences, including dismissal from the event or program. I am willing to accept appropriate consequences of my actions.**
