SCJLA Mission Statement

The Sanpete County Jr. Livestock Association is devoted to educating people and improving the livestock industry in Sanpete County. Our primary concern is the development of our youth and their livestock and affording them the opportunity to advance in leadership, record keeping, and cooperation skills.

2022 Rules
Amended by Membership January 27th, 2022

The Sanpete County Jr. Livestock Show will consist of (1) a market show that includes beef, swine, lamb, and goat classes; (2) a breeding show that includes dairy goat classes; (3) showmanship classes for market and breeding; (4) Livestock Knowledge Tests; (5) a Livestock Judging Contest; and (6) a 4-H Portfolio (Cover Letter & Resume) contest.

1. All exhibitors, parents, and leaders are expected to adhere to these rules, the 4-H Member and Parent Code of Conduct, and the Code of Ethics.
2. Failure to comply with the Sanpete County Jr. Livestock rules or poor conduct will result in forfeiture of prize money.
3. The Executive Committee reserves the right to make all interpretations of any show rules and regulations which will be in the best interest of the show and sale.

Exhibitor Qualifications

4. All youth must be enrolled and have fees paid in either 4-H or FFA by May 1st of the current year before they will be allowed to tag in animals. All FFA members need to declare their participation to their advisors by May 1st.
5. Dairy goat exhibitors must be enrolled in a Dairy Goat Program with a registered leader by May 1st. Dairy goat and market livestock exhibitors will work with their leaders in a minimum of six club meetings to learn their project curriculum.
6. Exhibitors must have completed the 3rd grade in school and will not be over 19 years of age.
7. Market and breeding exhibitors are required to pay tagging fees and to be registered through Fair Entry by June 30th, 2022.
Livestock Qualifications
8. All market and dairy animals must be qualified by an identification process and application to be eligible to show and sell at the Sanpete County Jr. Livestock Show and Sale. All exceptions must be approved before initial weigh-in dates by the show chairman.
9. There will be a $10 tagging fee for each breeding and market animal.
10. Any “buddy” or “family alternate” animal must also be tagged. If brought to the fair, these animals must adhere to all rules and regulations, including but not limited to weight requirements, shearing rules, etc. These animals may not be sold to the Floor Buyer if said requirements are not met or if the Livestock Committee deems it to be unfit for the Floor Buyer. This is to preserve the SCJLA integrity with the floor buyers.

Initial Weighing & Tagging
11. All male animals must be castrated to be exhibited in market classes.
12. Each exhibitor will be limited to weigh-in and tag 4 market animals in each species, exhibiting a total of 4 market animals at the show.
13. Each exhibitor will be allowed to tag 4 breeding animals in each age group, exhibiting a total of 4 breeding animals at the show, which is 1 doe per age class.

Livestock Show
14. At the fair weigh-in, all members will be required to sign a sheet stating that they have read the rules and code of ethics and are aware of all aspects of the show and sale (i.e. dress code, record book requirements, etc.)
15. All market and dairy animals need to be checked in during final weigh-ins. They all must be cleaned and washed prior to the exhibitor leaving the grounds Wednesday night after their animals are checked in.
16. All market and dairy animals must be cared for from weigh-in time through Saturday evening. Animals may not leave the fairgrounds prior to 6pm on the Saturday of the fair.
17. The Specie Specialists act as a sifting committee. The Sifting Committee will have the right to sift any animal they feel is not in condition, proper health, or is a safety hazard to the conditions of the show/fair. Sifting will be done prior to judging.
18. All animals must grade at least “good” and sifted animals will not be quality judged or sold.
19. Specie Specialists shall have the right to place any animal into the class which he feels will furnish the best competition.

21. All dairy and market animals must be showed by the exhibitor who linked to them in fair entry and initial weigh-ins, in their respective classes and sale. Prior written permission to the Executive Committee is required if an exhibitor is not able to show or sale their animal.

22. An exception to this rule is if an exhibitor has two animals in one class. If this happens, they may ask another exhibitor qualified for the show to assist them in exhibiting one of their animals.

23. Each market or dairy animal may only be shown in 1 market/breeding class and 1 showmanship class.

24. All 4-H and FFA animal species will be shown jointly.

**Code of Ethics**

The Sanpete County Junior Livestock Council is based on principles of positive youth development. We believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity as well as an interest in presenting a positive and progressive image at livestock shows.

Adults have a special opportunity to interact with young people in ways that are affirming, educational and inspiring to young people and other adults. Adults must exercise good judgment and mature wisdom and work with others in a courteous, respectful manner demonstrating behavior appropriate for a positive role model for youth.

**SPORTSMANSHIP:** All exhibitors and spectators are expected to conduct themselves in a positive, honest, sportsmanlike manner during and after the competitive event. Losing gracefully is just as important as winning humbly. The following practices are prohibited:

- Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors or spectators.
- Criticizing or interfering with the judge, other exhibitors or show officials during or after the show.
- No exhibitor or spectator will be allowed to interfere with the judge, chairman, show volunteers, clerks or committee members in the performance of his/her duties.

Violation of the Code of Ethics may result in forfeiture of premiums, awards and auctions proceeds. Violations may also result in expulsion of the event and disqualification. The Sanpete County Junior Livestock Council Committee has the right to have any violators of the code of ethics dismissed from the Livestock Barns and also has the right to have any animal removed from the fair grounds.

Livestock Knowledge Tests

Why testing?

All Junior Livestock participants are encouraged to learn about their animal and its proper care. Livestock Testing offers participants another way to show what they have learned throughout their project.

4-Hers who are enrolled in a livestock project but are not showing an animal at the Jr. Livestock Show & Sale are still eligible to participate in the Livestock Testing.

The best scoring tests of each division (Junior, Intermediate, and Senior) will receive awards. There are 4 tests—one for each species (swine, lamb, goats, and beef). A participant may take one test or all four. **These tests will be given August 23rd at Barn Set-Up Night at 6 p.m.**

What to study:

Test questions will come from the following sources:

- SCJLA 2022 Show & Sale Rules
- *Beef Resource Handbook*, Chapters 8 & 10

All *Resource Handbooks* are published by Ohio State University; contact the county 4-H office for how to order.

This year’s chapters are also available online for study and review at: [http://extension.usu.edu/sanpete/htm/4-h/livestock](http://extension.usu.edu/sanpete/htm/4-h/livestock).

Every year there will be different pages in each of the *Resource Handbooks* assigned. You don’t have to study the whole book—at least not all at once!
