

AG-DRIP Field Day

Helping Farmers Optimize Water

**Tuesday
July 9th
10 AM – 1 PM**

**Bill and Kyle
Butcher Farm**

8000 S Upper
Miller Creek Road
Price, Utah 84501

Join us at the Butcher Farm for an AG-DRIP Field Day

We will meet at 10:00 AM at the Butcher farm near Price, UT and have demonstrations, tours, presentations, and discussions on water management technologies and optimization approaches. We will also highlight recent fertilizer and soil sodicity research trials. Lunch will be served. *Watch for signs and turn into the field near the solar panels.
