Seeking parent–emerging adult pairs

Help us understand how family and religious experiences shape the ways young adults navigate challenges and thrive.

YOU MAY BE ELIGIBLE IF:

- You will participate as a parent–emerging adult child pair
- The emerging adult child is 18–29 years old
- Each of you identifies as religious now or has identified as religious within the past 5 years

WHAT EACH PERSON WILL DO

- Complete a short demographics survey
- Complete an individual Zoom interview (30–60 minutes)
- Complete a joint Zoom interview with your parent or emerging adult child (30–60 minutes)
