  - Sheep - Brent & Vivian Sorenson - nothing here
  - Goats - Colton & Kelsey Coates
  - Dairy Goats - Karyl Zanocco
4. Fair Board Representative - Ashley Denton, Co-Chair
5. Extension Office - Brandi - Wondering about going to an online test instead of the test night with the written test. How much would it be the kids taking the test, and how controlled of an environment would it be? Brandi is having a hard time with people not wanting to make the time period.  
-Other issue is getting everyone enrolled again for the new year, both leaders and kids.
6. Rule Changes - All changes read through - Brent Sorenson motioned Keisha seconded
  - Going to look at times for the shows after initial weigh ins
7. Fundraising - Keisha Otten
  - Going to do banners to line the show barn \$50 to do the banners.

- If each club does 5 banners that would bring in \$500, problem with banners is that the same businesses that would buy banners would be the same that the kids are asking for boost from. What about doing family banners?
- Still going to do a drawing with tickets and giveaways.
- Need to make sure that everyone can get a "master" list of businesses so that people aren't going to the same places.
- Keisha is going to head up a finance committee meeting to get things straightened out with boost lists
- What about putting companies on the big picture banner?

- Goals - More Pens (Possible donation from Hermansen's Mill), rubber mats, ramp and panels for alleyway into the scale
