   (1) Market hogs   (2) Market goats   (3) Market lambs   (4) Market steers

2
“A Special Thanks to the Show Sponsors”

What is a Stockshow sponsor? A sponsor is someone who sees more than kids and animals at a Stockshow. A sponsor also sees hard work, responsibility, goal setting, management, determination, and success on display. A sponsor knows that a calf, lamb, or hog can teach lessons that can't be learned in any other way, and believes that those lessons are worth learning.

Since 1939, exhibitors in the Southeastern Utah Jr. Livestock Show have relied upon generous sponsors for support. We invite all Stockshow sponsors, past and present, to join us at the show. As you sit in the bleachers, take a look around. You'll notice that yesterday's exhibitors are today's parents, leaders, and sponsors. Thanks for believing in our youth. Your support is paying off.

The Stockshow Committee extends a special thanks to those businesses, families, and individuals who purchased animals and provided prizes and support in 2016.

The Southeastern Utah Jr. Livestock Show Committee extends special thanks to the following: Emery County Commissioners Paul Cowley, Lynn Sitterud and Keith Brady; Carbon County Commissioners Jake Mellor, Casey Hopes, and Jae Potter; Ferron City Mayor & Council Trent Jackson, Craig Nielson, Ronnie Bloomer, Adele Justice, Randy Fox and Del Mead; and Willie Frisbee, Emery School District. Their support and assistance makes the show possible.

SOUTHEASTERN UTAH JR. LIVESTOCK SHOW REGULATIONS
1. The Southeastern Utah Jr. Livestock Show and Sale is a non-profit institution devoted to educating people and improving livestock in Utah. Its primary concern is the development of young people and their interest toward better livestock.
2. Each exhibitor is responsible for loss or damage due to another or occasioned by or arising from an animal exhibited by him and shall indemnify the Southeastern Utah Jr. Livestock Show and Sale against all legal or other proceedings in regard thereto.
3. The Southeastern Utah Jr. Livestock Show and Sale Committee reserves the right to make all interpretations of any Stockshow rules and regulations.
4. All protests must be made in writing and presented to the show president within two (2) hours after the cause of the protest, along with $25.00 cash to be returned if the protest is upheld by the Stockshow Committee.
5. THE DECISION OF THE JUDGE IS FINAL.
6. Entry Information and Deadline: All market and breeding animals must be entered on Southeastern Utah Jr. Livestock Show entry forms OR official Utah Junior Livestock Show Entry Forms (Form 3) which are available from FFA Advisors and Extension Agents. Entry forms must be filled out completely, including required signatures, and must be accompanied by entry fees. Entry fees are $10.00 for the first animal entered and $5.00 for every animal thereafter. For example, if the exhibitor entered two market animals and one breeding animal, total entry fees would be $10.00 + $5.00 + $5.00=$20.00. Entries must be postmarked no later than Monday, June 5, 2017. NO LATE ENTRIES WILL BE ACCEPTED.
Send Entries to: Dennis Worwood, Box 847 Castle Dale, UT 84513
7. Market animals that have been sold or bought back at a previous livestock show cannot be exhibited or sold at this show.
8. Each exhibitor may enter no more than a total of two market animals. The animals may be from one species or any combination of two species. Exhibitors may enter any number of breeding beef, breeding goats or breeding sheep.

RULES FOR 4-H AND FFA
1. FFA exhibitors must be Bona Fide FFA members by February 1 of the current year. FFA and 4-H exhibitors must meet state Junior Livestock Association age guidelines.
2. FFA and 4-H exhibitors must comply with state Stockshow dress requirements in showmanship contests, market animal classes, open breeding animal classes and the sale. Those violating dress standards will be excused from the class and/or sale.
3. Market animals must be exhibited by their owner in market classes, showmanship, and the sale. Exception: Exhibitors who have two animals called back for the championship class may ask another exhibitor to show one of the animals.
4. Commercial class exhibitors must be 4-H or FFA members.
5. A $10.00 fine can be withheld from the check of exhibitors who fail to clean their pen or stall after their market animals are sold, or breeding animals exhibited. Pens should be kept tidy during the show. Exhibitors should clean up wool and hair clippings after animals are fitted.
6. FFA and 4-H exhibitors are encouraged to enter the showmanship contest. FFA and 4-H will compete together in showmanship according to age group. Showmanship classes are divided by the exhibitor’s school grade as of October 1 of the previous calendar year.
7. In all events, three or more entries per class constitute competition. Classes may be combined at the discretion of the judge and Stockshow committee.

GENERAL INFORMATION
1. The market lamb, hog, goat and steer divisions will have a star class consisting of up to the top ten animals after the Grand and Reserve Champions (3rd through 12th place overall) as placed by the judge. The championship drive consists of those animals that are selected from each class by the judge to compete for Grand Champion.
2. Premiums will be prorated and paid at the time of exhibit.
3. Exhibitors must furnish their own feed. Since it is increasingly difficult to obtain high quality bulk sawdust and shavings, BEDDING WILL NOT BE PROVIDED BY SHOW MANAGEMENT. Exhibitors must furnish their own bedding (must be bio-degradeable). No straw is allowed because of fire concerns.
4. In accordance with the Utah Junior Livestock Association Code of Ethics, Rule G, all Grand and Reserve Champions will be tested for drug residues under the direction of the Stockshow Committee and veterinarian. Other market animals may be tested at random. The Code of Ethics describes penalties to be applied if illegal residues are detected.

WEIGHING AND RECEIVING RULES
1. Market hogs must arrive at the show no later than 1:00 p.m. on Wednesday. Market lambs, steers, and goats, and breeding sheep and breeding beef must arrive at the show no later than 2:00 p.m. on Wednesday. Market lambs, goats and steers must be weighed in by 2:00 p.m. on Wednesday. There will be one official weigh-in with no weigh-backs. Market animals must remain on the grounds until released on Saturday. Breeding animal exhibitors are expected to leave the animals at the show. All animals must be released by the appropriate Department Head before leaving the show grounds.
2. Market animals that do not meet the minimum weight limit for their species will be sifted. Animals that are obviously sick, injured or otherwise unfit to be shown as market animals will be sifted. Sifted animals should be taken from the show grounds if practical. Animals sifted for failing to meet minimum weight limits may be used in the showmanship contest.
3. All sexually intact sheep or goats (male or female) that arrive at the show without a premises tag (in compliance with the Utah Scrapie Eradication Program) will be sifted.

SALE REGULATIONS
1. Each exhibitor may sell only one market animal through the Junior Livestock auction, unless the exhibitor shows two Grand Champion, two Reserve Champion, or a Grand and a Reserve
Champion market animal. In these cases both animals must be sold through the auction.

2. Grand, and Reserve Champion market lambs, steers, hogs and goats must be sold, and will automatically be placed in the sale order (see rules 3 & 4 below). Blue and Red ribbon animals will NOT be placed in the sale order unless the exhibitor turns in a completed sale declaration form (see rule 6, below).

3. Grand and Reserve Champion market steers, barrows and wethers must be slaughtered under the supervision of the Stockshow Committee. Female Grand and Reserve Champion market lambs, hogs and goats may be slaughtered or kept for breeding purposes, under the supervision of the Stockshow Committee. Grand and Reserve Champions will be tattooed by the Stockshow Committee for identification purposes.

4. White ribbon market animals will not be sold through the sale ring, and will not be floored.

5. Exhibitors who wish to have a blue or red ribbon market animal go through the sale MUST turn in a sale declaration form to the Stockshow Office (next to the sale ring) no later than 5:47 p.m. on Thursday, July 9 so that the Committee can complete the sale order. EXHIBITORS WHO FAIL TO TURN IN A SALE DECLARATION FORM WILL NOT HAVE THEIR ANIMAL PLACED IN THE SALE ORDER.

6. Exhibitors who fail to bring their animal to the sale ring at the appointed time in the sale order will not be allowed to sell their animal until all other market animals of that species have been sold.

7. The Stockshow Committee reserves the right of ninety days, or until payment has been received from the buyer of the animal, for settlement of animals sold.

8. A maximum of five percent sale commission will be charged on all market animals sold, including animals that are floored without going through the sale ring.

9. Each exhibitor is responsible for their stock until each animal is secured in the proper holding area following the sale.

CATTLE
DEPARTMENT HEAD – STEVE GRANGE

General Rules:
1. All breeding cattle from the State of Utah must be from a brucellosis-free herd. No breeding cattle from a quarantined herd will be admitted to the show. Cattle from outside of the State of Utah must have passed a negative bangs test 30 days prior to the show and must demonstrate a health certificate certifying the test. Any bull over six months of age must have a Trichomoniasis tag.
2. All Market Steers must have a brand inspection certificate to be presented when the animals are received on the grounds. A Bill of Sale is NOT an acceptable substitute for a brand inspection.
3. Cattle exhibits must be fit for show and halter broken. Uncontrollable cattle will be sifted. Breeding bulls 12 months of age and older must have a nose lead.
4. All cattle must have a neck rope when tied in their stall. This will prevent the animals from escaping if their halter slips off. If animals are left without a neck rope, the Stockshow Committee will provide a rope and the exhibitor will be billed $10.
5. Exhibitors are encouraged to exhibit breeding beef, but should not enter more animals than they can reasonably prepare and show.
6. Animals with horns more than 2 inches long will not be allowed to show.

DIVISION A—MARKET STEERS
DIRECTOR – STEVE GRANGE
Class 1 – Market Steers
Rules for Market Steers:
1. Market steers will be classed Blue Ribbon (Choice), Red Ribbon (Select), or White Ribbon (Standard). The judge may also consider structural correctness when placing animals.
2. **Because of concerns about drug residues, steers that have been under the care of a veterinarian within 45 days before the livestock show will be sifted.**
3. Market steers under 1000 lbs. will be sifted.
4. Market steers may be mouthed at random by the show committee, and steers over 24 months of age will be sifted. Age will be determined by examining the animal’s teeth. Steers may have no more than two permanent teeth, with all other teeth being baby teeth which are in place.

DIVISION B—BREEDING BEEF

DIRECTOR –

Rules for Breeding Beef:
1. There will be two divisions for breeding beef: Junior and Open.

Junior Breeding Beef:
1. Any 4-H, FFA, or Jr. Breed Association member may exhibit cattle in both the Junior and Open shows. The age limits for Junior exhibitors are outlined in the State Stockshow regulations, General rule #1. Adults may exhibit cattle in the Open show but not in the Junior show.
2. Ownership and record keeping requirements for Junior exhibitors are outlined in the State Stockshow Rules under Breeding Rules, number 1.
3. Breeding animal classes are subject to change, depending upon entries.

Classes for Junior Breeding Beef:
Class 2 – Registered Heifers--12 to 26 mo.
Class 3 – Commercial Heifers--12 to 26 mo.
Class 4 – Bulls—6 months and up.

Open Breeding Beef:
1. The open breeding beef show is open to any exhibitor regardless of experience. There is no upper age limit for exhibitors. The minimum age limit for exhibitors is the minimum age specified in State Stockshow Regulations, General rule #1.
2. Cattle must be registered with their respective breed associations. All breeds are eligible to compete, and will be shown together. One Champion and one Reserve Champion will be selected in each of the female and bull divisions.
3. Age requirements for cattle are as follows: Heifers 30 months of age and younger; Bulls at least 6 months old; Cow/Calf pairs whose calf is 6 months of age and younger. The first place Cow/Calf pair will compete for Champion and/or Reserve Champion female.
4. An entry fee of $10 per head is required. There is no limit to the number of head an exhibitor
may enter and show. Prize money will be awarded on a Jackpot basis for both the female and bull shows with the purse split 60% (Champion) and 40% (Reserve Champion) for both bulls and females.

5. Cattle will be divided into age classes in both female and bull divisions on a futurity basis with no less than 3 head per class.

DIVISION C—BEEF SHOWMANSHIP
DIRECTOR – DORRELL BARKER

Class 5 – Beef Showmanship– Grades 9 through 12
Class 6– Beef Showmanship– Grades 6 through 8
Class 7 – Beef Showmanship– Grades 3 through 5
(Grade as of October 1 of the previous calendar year)

Rules for Beef Showmanship:
1. All exhibitors should enter or attend.
2. Exhibitors must use their own heifer or market steer for the showmanship contest.

SWINE
DEPARTMENT HEAD – COLTON FILLMORE

DIVISION D—MARKET HOGS

Class 8 – Market Hogs
Rules for Market Hogs:
1. Market Hogs will be classed: Blue Ribbon (U.S. No. 1), Red Ribbon (U.S. No. 2), and White Ribbon (U.S. No. 3). The judge may also consider structural correctness when placing animals.
2. Market hogs under 230 lbs will be sifted.
3. Exhibiting classes will be divided according to weight and gender, with barrows and gilts exhibited separately. Grand and Reserve Champions and a Star Class will be selected in both the barrow and gilt division, with the Grand and Reserve barrows and gilts competing for overall Grand and Reserve Champion.
4. Hogs must be clean and trimmed before they arrive at the show. No hog clipping is allowed on show grounds. Eartags must be clean at weigh-in with clearly legible numbers.
5. Hogs must be in their pens by 1:00 p.m. on Wednesday. Hogs will have access to drinking water from 1:00 p.m. until weigh-in begins at 2:45 p.m. on Wednesday.
6. This is not a terminal hog show; however it is recommended that hogs go directly to slaughter after the show to minimize disease risk.

DIVISION E—SWINE SHOWMANSHIP
Class 9 – Senior Swine Showmanship- Grades 9 through 12
Class 10 – Intermediate Swine Showmanship - Grades 7 & 8
Class 11 – Junior Swine Showmanship - Grades 5 & 6  
Class 12 – Beginner Swine Showmanship Grades 3 & 4  
(Grade as of October 1 of the previous calendar year)

Rules for Swine Showmanship:
1. All exhibitors should enter or attend. Exhibitors must indicate at weigh-in whether or not they will participate in Showmanship.
2. Exhibitors must use their own market animal for the Showmanship contest.

SHEEP
DEPARTMENT HEAD – SHERRIE SWASEY

DIVISION F—MARKET LAMBS
DIRECTOR – MIKE TWEDDELL

Class 13 – Market Lambs
Rules for Market Lambs:
1. Market Lambs will be classed: Blue Ribbon (Prime), Red Ribbon (Choice), and White Ribbon (Good). The judge may also consider structural correctness when placing animals.
2. Market lambs will be examined by a veterinarian prior to weigh-in and will be sifted if:
   a. The lamb has shed lamb teeth, or erupted adult teeth.
   b. The lamb has club lamb fungus.
   c. The lamb does not meet state tail dock requirements.
3. Market lambs weighing less than 100 lbs will be sifted. Lambs over 150 lbs will be sold at 150 lbs.
4. All male market lambs must be wethers.
5. Exhibit classes will be divided according to weight.
6. Market Lambs cannot be shown in breeding.
7. Market Lambs must be clean and slick shorn (show ready) when they arrive for weigh-in. Market Lambs that are not slick shorn when presented for weigh-in will be sifted. Lambs with clinging manure, etc. will not be weighed until they are cleaned. No butt patterns are allowed.
8. Those planning to participate in Showmanship take notice of Rule number 2 under division H.

DIVISION G—BREEDING SHEEP
DIRECTOR – GWEN AND KENNY ANDERSON

Meat Breeds (Hampshire & Suffolk):
Class 14 – Ram Lambs  Class 15 – Yearling Rams  Class 16 – Aged Rams  
Class 17 – Ewe Lambs  Class 18 – Yearling Ewes  Class 19 – Aged Ewes

Rules for Breeding Sheep:
1. All breeding sheep will be checked by a veterinarian upon arrival at the show grounds. Animals with club lamb fungus will be sifted.
2. All breeding sheep will be shown in open class.
3. All breeding sheep must be in show shape and fit. Exhibitors who fail to clean up and dispose of their wool clippings will be fined $10.
4. Classes may be combined if there are not enough entries in a breed division to constitute competition.

**DIVISION H—SHEEP SHOWMANSHIP**

DIRECTOR –

Class 20 – Senior Sheep Showmanship- Grades 9 through 12
Class 21 – Intermediate Sheep Showmanship - Grades 7 & 8
Class 22 – Junior Sheep Showmanship - Grades 5 & 6
Class 23 – Beginner Sheep Showmanship Grades 3 & 4
(Grade as of October 1 of the previous calendar year)

Rules for Sheep Showmanship:
1. The contest will consist of:
   - Appearance of animal---20%
   - Showing animal--------40%
   - Showing self---------20%
   - Conversing with judge--20%
2. Exhibitors must use their own market animal for the showmanship contest. Sheep must be show ready before entering the show ring.

**GOATS**

DEPARTMENT HEAD – PAUL GILBERT

**DIVISION I—BREEDING & JACKPOT GOAT SHOWS;**

MARKET GOAT SHOW & SALE

DIRECTOR – KRISTI TWEDDELL

General Rules for Goats
1. Goats shall be healthy and free of any visible diseases.
2. No painting, powdering, or artificial color will be allowed. Doing so will result in animal being disqualified and removed from any class it is entered in.
3. Exhibitors will be allowed to use halters or collars in the show ring.
4. Animals that endanger exhibitor(s) or are unmanageable will be removed from the show.
5. Goats should be shorn uniformly 3/8" or less above the knees and the hocks.

Class 24 – Market Goats

Rules for Market Goats
The market goat show and sale is open to 4-H and FFA youth who meet age and eligibility guidelines for Junior Livestock Shows. Market goat exhibitors are subject to the same sale regulations as other market animal exhibitors at the S.E. Utah Junior Livestock Show. The minimum weight for market goats is 50 lbs. Jackpot is an open class show for youth who meet State Junior Livestock Association age requirements. The jackpot entry fee is $20.00. Shearing down is not mandatory but is suggested for jackpot goats.
1. All market and jackpot show goats will be required to have milk teeth in normal positions and no permanent teeth showing at the time of judging. Any goat that has lost one or both of its milk teeth will be disqualified.
2. Wether goats must be castrated prior to arriving on the show grounds.
3. Market and jackpot shows are open to both wethers and does (does must have a scrapie tag).
   However, if a breeding show is offered as part of the jackpot - does may show in the breeding show or the market show, not both!

Rules for Breeding Goats

   Breeding stock class: Animals must have a scrapie tag in place before they will be received or allowed to show. Animals from out of state must also have a health certificate present before the animal will be received and weighed in.

1. A MSMGA member may accumulate points on a maximum of 2 goats per class or a maximum of 3 goats per show. Members may enter more than 3 goats, but can accumulate points on only 3 goats per show. The goat that is used for showmanship must be entered in the Southeastern Utah Jr. Livestock Show.
2. The following classes will be offered for breeding goats:
   
   **Does**
   - Class 25 – less than 6 months of age
   - Class 26 – 6 to under 12 months of age
   - Class 27 – 12 to 24 months of age
   - Class 28 – over 24 months of age

   **Bucks**
   - Class 29 – 0 to 6 months of age
   - Class 30 – 6 to 12 months of age

3. Date to be used in determining the age of breeding class animals will be the first day of the show (Wednesday). Age verification may be required.

Rules for Showmanship

1. All exhibitors should enter or attend.
2. Exhibitors must indicate at weigh-in whether or not they will participate in showmanship.
3. Exhibitors must use their own animal for the showmanship contest.

**DIVISION J—ROUND ROBIN SHOWMANSHIP CONTEST**

DIRECTORS – JUSTIN THORNLEY & JACIE PRESSETT

Award: Trophy Belt Buckle to the Champion Showman

In Round Robin Showmanship, exhibitors test their skills in showing beef, sheep, goats and swine. Eligible contestants are the Champion showmen from the Intermediate and Senior age groups in each of those species. Contestants will be judged for showmanship with their own animal and their showmanship with the other three species.
RULES:
1. Intermediate and Senior Showmanship Champions from the Beef, Sheep, Goat and Swine Departments is eligible to show in the Round Robin Contest. If one of the Champion Showmen does not participate, the Reserve Champion may take his/her place.
2. Each exhibitor will show his/her own animal in the contest. After each has been judged showing their own animal, exhibitors will rotate to the next species, and continue until each of the eight exhibitors has been judged with each species.
3. Contestants will be judged on a system which awards points for ability and knowledge. The high point individual will be the Round Robin Showmanship Champion.

DIVISION K—JUDGING CONTESTS
DIRECTORS – DENNIS WORWOOD, JACIE PRESSETT, & JUSTIN THORNLEY
Rules for Judging Contest:
1. All 4-H, FFA, and other interested parties are invited to participate. Classes of beef, swine, sheep and goats may be judged.
2. Participants will compete individually. The top three contestants in each division will be recognized.

DIVISION L—RECORD BOOK AND PORTFOLIO CONTEST, ALL SPECIES
DIRECTORS – DENNIS WORWOOD, JACIE PRESSETT, & JUSTIN THORNLEY
1. Contestants must be exhibitors in the Southeastern Utah Jr. Livestock Show.
2. Contestants must be 4-H members or FFA members.
3. FFA Record book and 4-H portfolio entries must be turned in at the announcer’s stand by 2:15 p.m. on Wednesday, July 8.
4. Premiums will be paid on all blue and red ribbon record books and portfolios.

DIVISION M—WRITTEN TEST
DIRECTORS – DENNIS WORWOOD
1. Contestants must be 4-H or FFA exhibitors at the Southeastern Utah Junior Livestock Show.
2. Contestants will be divided by species (Beef, Sheep, Swine and Goat) and by age (Junior, Intermediate, Senior).
3. Test questions will be taken from 4-H Livestock Resource Handbooks, published by the Ohio State University:
   Circular 134R Swine Resource Handbook
   Circular 117R Beef Resource Handbook
   Circular 194R Sheep Resource Handbook
   Circular 135R Goat Resource Handbook
The Circulars are available from Utah Extension Offices, or can be ordered on-line from the Ohio State University at: http://estore.osu-extension.org/
4. Prizes will include cash awards.

DIVISION N—RABBIT SHOW
DEPARTMENT HEAD – HAYLEE THOMAS

1. Rabbits do not need to be pedigreed or registered, or meet ARBA standards; however, exhibitors are encouraged to breed and show quality individuals. Mixed breed rabbits or purebreds that do not meet breed standards will be shown as pet rabbits.

2. Rabbits may be shown in each class of a variety by the same exhibitor. The show committee reserves the right to combine classes if less than 2 rabbits are entered in each class. Any one variety or breed that averages at least 3 entries per class will be shown separately.

3. Animals with the following illnesses or ailments will be disqualified: Malocclusion (bad teeth), weepy eyes, mucous in nose, blindness, abbesses, or broken limbs. Please check rabbits prior to bringing them to the show to make sure they are in good health.

5. ENTRY INFORMATION: The entry fee is $3.00 per rabbit. Any sales will be private treaty.

Junior Buck or Doe: Age up to 6 months
Intermediate Buck or Doe: 6 to 8 months of age
Senior Buck or Doe: 8 months of age or over

Mini Class exhibitors (less than 8 years of age) will receive participation ribbons and $2.00 premium. All rabbits will be combined. Number of entries will determine classes.

If you have questions, please contact Peggy Johansen-Kremers (435-630-0971) or Haylee Thomas (435-820-4220)

UTAH JUNIOR LIVESTOCK SHOW ASSOCIATION OFFICIAL RULES
2017 Show Season (revised 11/2016)

These rules and guidelines are aimed at standardizing junior livestock shows in Utah. Standardization will help provide the best possible educational experience for the young people of the state who have 4-H or FFA livestock projects. The Utah Junior Livestock Show Association is given this responsibility by the Utah Administrative Rule R65-8 and Utah Code Section 4-2-2 through the Utah Department of Agriculture and the Utah Legislature. These rules are to be in effect at any show receiving funds through the Association. Every effort has been made to insure the accuracy of this information as it is distributed or published by member shows. However, exhibitors are cautioned that the current rules and regulations of the Utah Junior Livestock Show Association, as interpreted by the officers of the Association, will take precedence over such listings due to the possibility of typographical error or inadvertent omission.

• A total experience:
Exhibitors are encouraged to participate in the complete educational opportunity that junior livestock shows provide, such as the rate of gain, carcass, fitting and showing, record book, and livestock judging contests along with the judging of market and breeding animals. It is the purpose of these projects to develop life skills and animal husbandry and marketing skills among the participants.

• Tagging:
Local Extension/4-H agents and FFA advisors will publicize tagging information regarding date, places, etc., and arrange local tagging for Association member shows. Animals must be tagged by ownership deadline dates. Possession and ownership requirements must be met for each show entered.

Benefits of the tagging system - The tagging program has the potential to improve many aspects of the junior livestock's program, including the following:
Extension/4-H agents and FFA advisors will be able to see and verify member projects early to
provide more educational support; Livestock shows will receive entries early enough to better plan their awards and sales; The last-minute purchase of a show animal by a member or his/her parents will be eliminated; Extension/4-H agents and FFA advisors will be able to coordinate and cooperate in the tagging activities necessary in each county.

A. GENERAL RULES
1. Age – Large animal (including beef, sheep, swine, goat, horse), shooting sports and some other 4-H projects require youth to be in grades 3 through 12 and at least 8 years of age as of October 1. 4-H ages and grades are based on the 4-H year, which begins October 1 and ends September 30. Categories are determined by a youth’s age and grade on October 1: Junior members: grades 3-5 and at least 8 years old as of October 1. Intermediate 4-H members: grades 6-8 as of October 1. Senior 4-H members: grades 9-12 as of October 1. Eligibility for 4-H membership terminates upon graduation from grade 12, although seniors may exhibit through the summer of their graduation year. Individuals with developmental disabilities who exceed the upper age/grade level for membership may participate as a 4-H member with special authorization from the State 4-H leader.

In other words, exhibitors must be in the third grade, but not less than 8 years of age as of October 1st of the current 4-H year. Exhibitors can only show through the same season as their high school graduation, but not past their 19th birthday.

2. Group Affiliation — An exhibitor may enter a given show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at time of entry.

3. Ownership of animals - The exhibitor will own, possess, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine, market sheep and market goats immediately prior to the opening day of the show they intend to participate in. No interruption of ownership or possession can occur.

4. Fitting on show grounds -- The fitting of animals will take place in areas designated by the livestock show committee. Parents, guardians, siblings, club leaders, Extension/4-H agents and FFA advisors may assist, and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.

5. Code of Ethics (rules 5-a through 5-g) - The following practices or procedures are unacceptable in the care, fitting, preparation and showing of all classes of livestock. Exhibitors found in violation of rule A or B of this code will forfeit any premium, award or auction monies and will be prohibited from further competition at any Association member show for the duration of their junior eligibility. Any violation of rules C through G or specific rules as designated by individual fairs and livestock shows will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in Association member shows. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other member shows will be notified of any action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final.

A. The use of any drug, tranquilizer, sedative, or depressant, which alters the psychological or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing
breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified. Use of an illegal drug is considered a premeditated act and any information obtained in the practice of illegal alteration of any animal will be turned over to the proper authorities for possible criminal prosecution.

B. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal’s shape.

Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.

C. Treating an animal internally or externally, with any irritant, counterirritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to, the use of graphite, powders, hemp, artificial hair, coloring, common products such as fly spray, ointment, or liniment used to the point that it is irritating, or similar type products. The use of dyes, spray paint, or other artificial coloring, which results in altering an animal's true and natural appearance and/or color, is prohibited. Adding false hair or hair-like material, fleece, or skin at any point, spot, or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler, etc. Drenching will not be allowed unless the show veterinarian or a show official is present and is needed for emergency purposes only.

D. Each exhibitor has absolute responsibility for the care and condition of the animal(s) they enter and bring to the show.

E. The use of inhumane fitting, showing, and handling practices or devises shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, muzzles, etc. is not acceptable.

F. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.

G. All terminal show market grand and reserve champion animals that pass through a sale must be drug tested.

H. At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center for any reason. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.

I. Show management reserves the right to require animal health certificates. Health
inspection and diagnostic tests may be made before or after animals are on the livestock show
premises for exhibitor and animal safety, or to inaugurate disease control procedures which may
become necessary in emergencies as determined by animal health officials.

6. **Dress Code**
   - 4-H - A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts
     must be solid white in color and need not be Western style. Black or blue pants are to be worn.
     There is to be a 4-H emblem or patch on all 4-H member shirts.
   - FFA - Either a white shirt, tie and FFA jacket, or a white shirt with the FFA emblem and tie (t-
     shirts are not allowed.) The following will not be allowed: T-shirts, tank tops, tube tops,
     sleeveless shirts and vests. Exhibitors who fail to abide by dress standards will forfeit prize
     money.

7. **Sales Fee** - A sales fee not to exceed 5% will be withheld from sales checks by all state-
    assisted shows. Any purchaser(s) of animals from a Junior Livestock Show Auction must pay the
    Show the full purchase price of sale regardless of buy-back.

8. **Change of Ownership** -- Once an animal has gone through any stock show sale,
    regardless of buyback or no-sale, it is no longer eligible to enter another state assisted show.

9. **Show Eligibility** - Animals are eligible for any show for which they meet ownership and
    show requirements.

10. **Lamb Docking Rule** - Scientific research indicates that the incidence of rectal prolapsed is
    reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at
    the distal end on the caudal fold (3rd caudal vertebra). Complete tail removal (extreme docking) is
    not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep
    projects. Market lambs or breeding sheep showing any signs of contagious disease or current or
    recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted from Utah
    Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and their
    determination is final.

11. **Name Change** - If an animal has been shown in a market show in-state or out-of-state, it
    must be shown in the same exhibitor name in all subsequent shows.

B. **MARKET ANIMAL RULES:**

1. **Drug Withdrawal** -- It is unethical and in most cases even unlawful to administer drugs to
    livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be
    withdrawn from their class rather than be tranquilized. The local show committee and the show
    veterinarian will monitor this situation. By federal regulations, random testing will occur at
    slaughter, and animals will be condemned which have been given any injection or oral dosages of
    tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during
    withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat
    medicine and other medications with no withdrawal requirements may be permissible. Exhibitors
    need to be aware of potential health hazards to consumers who eat animals that have received any
    above-mentioned substances. Please do not put someone's life in jeopardy.

2. **Tagging** - The Extension/4-H agent, FFA advisor, or a member of their appointed
    committee shall tag each animal and process the proper forms. Should a tag be lost or pulled out
    of the animal's ear, the exhibitor will advise the committee supervisor immediately so that the tag
    can be replaced and the appropriate paperwork be processed.

3. **Market Animal Weights** — Ideal market weights as determined by the meat industry may
    vary from year to year, but these show-day ranges are what suggested weights are based on:

<table>
<thead>
<tr>
<th>Species</th>
<th>Suggested Weights*</th>
<th>Average Rate of Gain</th>
</tr>
</thead>
<tbody>
<tr>
<td>Beef</td>
<td>1,000 - 1,275 lbs</td>
<td>2.75 lbs gain/day</td>
</tr>
</tbody>
</table>
Sheep: 90-130 lbs, .75 lbs gain/day
Swine: 240-290 lbs, 1.5 lbs gain/day
*Consult the rules for each show to see the actual weight limits for that show.

4. **Extra Animals** - Exhibitors may tag one extra animal per species for each show.

5. **Entry Forms & Deadlines** – Exhibitors must check with each livestock show for entry deadline for that specific show. Exhibitors are responsible for mailing their own entry form. Entries postmarked by that date will be accepted. Exhibitor must declare which animals are to be shown, and submit an entry form and entry fees to the appropriate shows, including Association ear tag numbers. The tag number and alternate tag number must be specified on the exhibitor entry form to be eligible. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species entered. Forms must be signed by proper Extension/4-H agent or FFA advisor to verify exhibitor and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility for group and family feeding programs. Entry forms for fitting and showmanship classes must also be submitted 30 days prior to opening day of the show and need to indicate class to be entered (species) and age of exhibitor.
Entry fees will not be withheld from sales checks. Entry fees are to be sent along with all entry forms.

C. **BREEDING ANIMALS:**
Exhibitors are encouraged to expand their scope of livestock project experience to include breeding livestock projects.

D. **RULE ENFORCEMENT:**
The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing to the Utah Junior Livestock Shows Association Board. Shows that do not comply and enforce the rules adopted may lose Association funding. If immediate action is needed, the board of the Utah Junior Livestock Shows Association is empowered to make the ruling decision. The State Veterinarian has the final ruling on lamb tail docking and any health issues.

2016 GRAND AND RESERVE CHAMPIONS

**Grand Champion Lamb-$1950**
EXHIBITED BY: Shianne Cooper of Wellington, Utah
Buyers: Southeastern Utah Junior Livestock Association, Douglas Warden, Scamp Excavation, Provo Pediatric Dental, Price IFA, Carbon County Farm Bureau, Van Mays Financial, Cowboy Club, Eastern Utah Community Credit Union, Pierce Oil, AJ’s Body & Paint, Tram Electric, Jerry’s Custom Meats, Price Zions Bank, Pro-Rehab

**Reserve Champion Lamb-$1200**
EXHIBITED BY: Kimberly McClellan of Bluffdale, Utah
Buyers: Byron McClellan, Southeastern Utah Junior Livestock Association, Cody Jensen, Price IFA, Swasey Suffolk, Industrial Electric, Pierce Oil, Mangelson Farm, John Olsen Accounting, Grub Box, Lady Club Lambs

**Grand Champion Steer-$4900**
EXHIBITED BY: Shane Pyne of Genola, Utah
Buyers: Payson Livestock Boosters, Rally, Brahma, Pierce Oil, Richwood Industries, Castle Valley Supply, Mangelson Farm, IFA Spanish Fork, Hatch Livestock, Grub Box, Sorensen Family, Price Zions Bank, Eastern Utah Community Credit Union
Reserve Champion Steer-$2661
EXHIBITED BY: Rhett Perkins of Smithfield, Utah
Buyers: Savage Services-Bryant Hansen, Pierce Oil, S.P. Cattle Co., JC Spuds, Swasey Suffolk, Sorensen Angus, Rally, Price IFA, Castle Valley Supply, Price Zions Bank, Utah Behavior Services

Grand Champion Hog-$1150
EXHIBITED BY: Chloe Wimmer of Springville, Utah
Buyers: Springville FFA/4-H Livestock Boosters, Slash J Cattle, JC Spuds, IFA of Spanish Fork, Rob Giffing, Utah Behavior Services

Reserve Champion Hog-$900
EXHIBITED BY: Tanner Thomas of Delta, Utah
Buyers: Evan Stilson DDS., Southeastern Utah Junior Livestock Association, Ferron City, Mountain View Dairy, Morrison Fertilizer, Circle V Meats, Big Time Genetics, Worwood Show Pigs, Kay Electric

Grand Champion Goat-$1400
EXHIBITED BY: Nate Gilbert of Huntington, Utah
Buyers: Price IFA, Gilbert Goats, Clay Palfreyman, Castle Valley Supply, Summer Tree, Stewarts Thriftway, Anadarko E&O Onshore LLC, Eastern Utah Community Credit Union, Zions Bank of Price, Kirt & Kristi Rasmussen, Utah Behavior Services, BL Boer Goat, Southeastern Utah Junior Livestock Association

Reserve Champion Goat-$600
EXHIBITED BY: Nate Gilbert of Huntington, Utah
Buyers: Clay Palfreyman, Stewarts Thriftway, Castle Valley Supply, Anadarko E&O Onshore LLC, Gilbert Goats, Powerquip, Price IFA, Kirt & Kristi Rasmussen, Southeastern Utah Junior Livestock Association
