

Welcome to USU Extension Sevier County Story Trails!

To find the sites and schedule visit:

<https://extension.usu.edu/sevier/files/FamilyPassport.pdf>

- Trails and challenges are numbered for convenience only, there is no order to the completion order
- There are 15 story trails and 15 challenges, stories rotate per the schedule, challenges remain the same at each site. Stories are on yard signs in a trail at each site. Challenges are posted at the site. Check-in information is at the site (checking-in is how you are entered for prizes).
- Complete all 15 trails and 15 challenges or just a few, one entry for the prize drawing will be given for each trail and each challenge completed - increase the trails and challenges, increase your chances to win!
- The passport is for your own tracking as each story and challenge has an electronic check in for completion. You may email your passport to kari.ure@usu.edu by May 3rd if you'd like to make sure we have logged each of your activities
- Prizes include outdoor/family games - a list of the options will be sent to the winners and each winner will choose from the list and the prize will be mailed directly from Amazon to you or may be picked up from our office if you do not wish to share your mailing address
- Stories rotate each Monday and Thursday and the time will vary - so keep in mind if visiting those days

For questions, concerns with the trail, etc, please
contact Kari Ure at kari.ure@usu.edu or
435-757-3891 (text or call)

Please respect the trails to allow others to
enjoy! Thank you for visiting!
