Dear parent or guardian,

Today we learned about the importance of hand washing. Your child has become a Soaper Hero by learning to wash his or her hands for 20 seconds. Please ask him/her to show you how to properly wash hands and tell you when hands should be washed. It is important that soap and water is used when hand washing. Drying hands is also an important step.

We’re sending home the Soaper Hero song below so you can sing it together while washing hands.

**Why not cut it out and tape it near the bathroom sink to help your child remember to wash?**

Sincerely,

The Clean Team
Soaper Man, Water Woman & Dry Boy

**The Soaper Hero Song**

(Use the tune for Row, Row, Row Your Boat)

Wash, Wash, Wash Your Hands
Take germs down to zero!
Merrily, merrily, merrily, merrily
Be a Soaper hero!
Scrub, Scrub, Scrub Away
Make a lot of bubbles
Merrily, merrily, merrily, merrily
Wash away your troubles!
Dry, Dry, Dry Your Hands
with a towel that’s clean
Merrily, merrily, merrily, merrily
You’re on the Clean team!
