A NOTE FROM OUR STAFF -

We are thrilled to announce all the fun camps available this summer! As a staff we are putting our best efforts into creating a great experience for your children with high hopes of helping them learn life-long skills and make long-lasting friendships!

We want to thank all of our parents and volunteers for making all of this possible! We could not do it without you.

Here's to a great summer in Summit County!

Please feel free to contact us with any questions!

How to register for camps

Camp Registration will open Tuesday, May 31st, 2022 @ 9:00 AM

Registration will take place on Zsuite.

Step 1
The first step is to create a profile and enroll (or re-enroll) on ZSuite (think of it as creating a profile before you can order something online or use Instagram.) Visit 4h.zsuite.org to enroll in 4-H.

Step 2
Once you create your member profile, Summit County 4-H will approve it and you will be able to log back in and see the camp registrations on the events dashboard.

Step 3
Here are the typical steps to register for a camp:

1. Log in to ZSuite and select profile you wish to register under.
2. Go to dashboard and scroll down to “upcoming events”
3. Select which event you would like to register for by clicking “register now” in the event block
4. You will see all members in your household who have enrolled in ZSuite. Click “register” next to the participant(s) you wish to register for the selected event.
5. Once you click “register” fill out the information regarding the participating youth and click save.
6. After saving, you will return to the registration page. Register the remaining participants, if any.
7. When you have filled out the registrations for all participants in your household, click “submit registration.”
8. Congratulations! You have registered for your 4-H event.

Note: If you submit camp registration before all camps are selected, you will need to call the office, and we will manually add additional camps.
