Spring 2024

Ripened cherries, mulberries, three-leaf sumac berries, snap peas, and more signify that summer solstice, and the first official day of summer, is just around the corner. Over the past few months, we were busy welcoming in and training new members of our sustainability team. Discover more about what they will be up to over the summer in an effort to help advance sustainable behaviors in Utah and beyond. Also, see below and mark your calendars for sustainability-related events on the horizon.
