First the bad news, the Tooele County Fair has been canceled for 2020. Now, the good news, we are planning to hold a 4-H Fair exhibit at the 4-H office the last week of July (new dates) and the Tooele County Jr. Livestock Show is planning to hold the show the first week of August (the original dates). More details are in this newsletter (pg 3, 4 & 6) and updates will be sent out via email through the summer.

The current Covid19 crisis has forced us to make many changes and modifications over the past few months and we anticipate that will continue for the near future. We are making every effort to conform to the advisories and directives as they are issued and potentially revised. The most important factor to make a successful summer is communication. We will send out most updates via email. Please check to see that yours is not getting lost in the junk or other

4-H Summer Camps and Activities Registration
Wow, check out the flyer full of 4-H summer activities and day camps that is included in this newsletter! We’ve planned a variety of activities and experiences this summer. We think there is something for everyone. Some will be virtual but many will be in-person limited to small groups to allow for social distancing. To promote safety for everyone, we will require hand hygiene and wearing a mask while attending. If your 4-Her is sick or you know they have been exposed to the virus, do not bring them. Call and we will work out a refund.

Registration for these activities/camps will be through ut.4honline. Registration for camps and activities will open May 27th. Space is limited so don’t hesitate too long if its something you really want to do. Once you have completed the registration, your place in the activity is held. We will not actually approve the registration (and actually charge your card) until the day before the event so that potential refunds are easier.

4-H Family Canoe Week
4-H Camp for this summer will be very different but we think very fun. We have family canoe sessions planned for the week of July 13-17. Sign up for a session through 4honline. You must have an active 4-Her to sign up. A parent or designated adult must accompany and stay with your kids at the lake. All kids under 8 must have an adult in the canoe with them and everyone in the canoe must wear a lifejacket.
Utah State University Extension

Free 4-H Project Kits

Here’s an amazing opportunity for Tooele County 4-Hers! The state 4-H office made available some small creative project/activity kits for youth to explore this summer. We will have several different kits available each week. They come with some supplies and instructions. Supplies that are not included are commonly found in most homes.

We are distributing them to you at no charge via 4honline. Quantities are limited so its first come, first served until they are gone. One of each type of kit per 4-Her. We will send out an e-mail each week to let you know what’s available. We only ask that each family who receives a kit be willing to be contacted about how the kit(s) worked for their 4-Her(s).

Pickle Ball

Have you ever heard of Pickle Ball? No, it’s not a ball made from a pickle. It’s sort of like tennis and a bit like ping pong and a little like four-square. It is one of the hottest games out there. This summer you can give it a try through our 4-H class at Elton Park in Tooele on Thursday mornings at 9 am. You must register through ut.4honline.com to have a spot that day. Cost is $1.50 per day.

4-H Babysitter Club

Are you a babysitter? Have you thought about babysitting? Then this is the summer to get yourself ready through the 4-H Babysitter Club. It comes in 2 parts but you have to do part 1 in order to do part 2. Part 1 comes virtually as 4 meetings on ZOOM. You register through ut.4honline.com and then we’ll bring a kit to you with the supplies needed for the ZOOM meetings. They will be Tuesdays at 10 am beginning June 9. The cost for part 1 is $10. Part 2 is an “in person” 2 day camp where you learn more stuff that doesn’t work as well over zoom. There are 2 sessions to choose from, both on July 6-7; one in the morning and one in the afternoon. Space is limited to keep everyone safe. Register for part 2 through ut.4honline.com. The cost is $10. When finished, you’ll have a great kit to take with you when you babysit and lots of knowledge to help with possible situations you may encounter while babysitting.

Family 4-H Summer Adventure Challenge

We have a fun surprise for every 4-H family this summer, our first ever 4-H Adventure Challenge. We’re still working out the details so we will send those out in an email on June 1. It basically works like this: we give you a list of activities you can do as a family this summer. You go out with your family and do the activity and take a “selfie” and then submit the selfie (details coming).

There will be different categories of adventures with a list of possibilities in each category. Adventures will be assigned points. We will update the list over the summer so you’ll want to check it often. We are open to suggestions too. The challenge is to do at least something from every category. There will be different levels you can achieve in this challenge depending on how many adventures you do and the accumulated points you acquire as you go. Some adventures will be worth more points. It’s up to you and your family how you proceed. One family could do lots of low point adventures while another family does a few high point ones and they both end up with the same number of points. That way, every family can choose how to challenge themselves.

The challenge will run from June 1 through September 1. All participating families will be recognized at our 4-H achievement night later in the fall. And yes, there will be prizes. All the selfies will become a video collage feature at achievement night so try to take great pictures. Just don’t get too carried away and fall off a cliff or something! JUNE 1ST!

Just For CloverBuds: Grades K-2

Are you ready for a fantastic summer despite all the challenges we are having? Then 4-H is your ticket. We have several Cloverbud opportunities that you will really enjoy:

- Coding for Cloverbuds: June 2, 10 am, $1
- Cloverbud Art (Pastels): June 11, 1 pm, $2
- Cloverbud Art (Acrylics): July 2, 1 pm, $5
- Cloverbud Art (Watercolor): Aug 10, 9:30 am, $2
The Tooele County Jr. Livestock Show is still planned for August 5-8 at Deseret Peak. A letter from the show committee president is included in this newsletter.

Animals still need to be tagged by the June 6 deadline (the Beef deadline has passed). 3 tagging days will be held. May 28, 5-7 pm and May 30, 9 am-noon at 803 W. Vine St in Tooele (Janette Shields home), please park on the south side of the street. June 3, 6-7 pm at Deseret Peak. If you cannot get your animal to one of these tagging dates, call Linden at the 4-H office (435-277-2407) or one of the Livestock Show Committee members for your species listed in the Show and Sale book posted on tooele4h.org.

Show registration and fees are due by July 6th. You can bring it by the 4-H office or mail it to Tooele County Jr. Livestock Show, 151 N. Main St., Tooele, 84074 or mail it to Tooele County Jr. Livestock Show, 86 Kelsey View Dr., Tooele, 84074. Please make checks out to Tooele County Jr. Livestock Show (TCJLS). No late entries will be accepted. If you mail the forms they must be postmarked by July 6.

Due to the Covid19 situation, the 1st Tooele County 4-H Horse show has been postponed. The new horse show schedule for this summer is: July 17-18, July 31-Aug 1 and Aug 21-22. Foal and 2-Handed are Friday evenings and begin at 6 pm. The Bitted events are Saturdays with registration at 8 am. The “test” study material has changed. It is an online manual titled “Horse Smarts”. The link is on tooele4h.org. The test will be given on Saturday for everyone. Time will be announced over the GroupMe text. Talk to your 4-H horse leader about how to be added to that group text.

All shows are scheduled at the Grantsville Arena. Participants must be actively registered in 4-H by June 30 to participate in shows this year. The registration for the 1st show will open mid June and close July 8 and will include your project horse registration information (horse description & name). As with everything this year, stay in touch with your horse leader so you will know if anything changes.

The 2020 State 4-H Horse Show is scheduled for September 23-26 at the Golden Spike Arena in Ogden. Participants pre-qualify for the Western Individual Show through their participation in the county “point” shows. The top point earners in each age group are the qualifiers. The State Horse will also include an English Show, a 2-Handed Show and a Working Ranch Horse gathering. Those shows do not require pre-qualification. We will get you more information as we get closer to the event. Questions? Contact the 4-H office 435-277-2405.

There are 3 livestock and 5 horse related contests plus 2 brand new Agriscience contests (think STEM/Ag fusion) for 4-H members at the state level. These contests will happen at the Horse & Livestock Symposium scheduled to happen October 15-17 in Logan. Members of all 3 regular 4-H age groups can participate in these contests, even if you don’t own livestock or horses. You just have to love them and want to learn more about them! The official rules for each contest are posted on utah4h.org under 4-H events and then Horse and Livestock Symposium.

- Agriscience Fair (new): rules are coming soon
- Agriscience Triathlon (new): rules are coming soon
- Horse Demonstration: individual or 2 person team (show how to do something related to horses)
- Horse Public Speaking: individual (prepare a 7-10 min talk on a topic related to the horse industry).
- Hippology: 3-4 member team (a multi-phase event testing knowledge of equine science and husbandry)
- Horse Judging: 4-5 member team (rank a group of horses and then present your reasons)
- Horse Bowl: 4-5 member team (think jeopardy with horse questions)
- Livestock Judging: 3-4 member team (rank groups of beef, sheep & swine and present your reasons)
- Dairy Judging: 3-4 member team (rank a group of dairy cattle and then present your reasons)
- Livestock Bowl: 4-5 member team (think jeopardy with livestock questions)

Watch for more information about the Symposium. If you have an interest in forming a team or participating in these contests at the state level please contact the 4-H office: 435-277-2405 (Tamra) or 435-277-2402 (Robyn).
Veterinary Medicine Club
Do you love working with and raising animals? Have you thought about becoming a Veterinarian some day? You’ll enjoy the new 4-H Veterinary Medicine club led by Maggie Durham who is a real vet. There is a club organization meeting June 11 at 7 pm here at the 4-H office. If you are interested in the club, but can’t make the meeting, contact Robyn Handley at 435-277-2402.

Model Railroad Club
Are you interested in trains and railroads? Linden Greenhalgh is organizing a 4-H model railroad club here in Tooele County. He’d like to know who is interested and what things they’d be excited about doing as a club. If you are interested in participating, please contact him at 435-277-2407 or linden.greenhalgh@usu.edu

Day Lily Hybridizing
Daylilies are beautiful perennial plants that have flowers that last about one day (hence the name). You can learn to hybridize these plants to create different looks for the flowers. There will be a hybridizing activity on Thursday June 4 at 10 am at the 4-H office. It is for youth who are 8 and older. Sign up through ut.4honline.com by June 2. No charge, we just want to have enough supplies.

FCS 4-H Contests
State Contests as we have known the event has changed dramatically. The contests have been split up to be part of several different events during the year. Many have added a younger division that allows more 4-Hers to have a chance to compete. FCS contests (cooking, sewing, demonstrations & public speaking) are being held virtually this year June 29-30. You can find more information about them on utah4h.org.

If you would like to compete this year, we’d love to help you get ready. Look through the contests and decide what you want to do. Call Robyn 435-277-2402 or Darlene 435-277-2406 and talk with them about setting up a time to do your contest virtually at the county level. You will get some valuable feedback before you compete at the state level. State horse and livestock contests will happen in October.

Teen Council
The next teen council meeting is June 4 at 7 pm in the auditorium at the 4-H office. All 4-H youth 12 and older are invited to be part of teen council. Please wear a mask that covers your nose and mouth. Call Robyn if you don’t have one and we’ll figure it out. Bring a smart phone or ipad, if you have one, to play some cool “social distancing games”. If you don’t have one, come anyway, we have a few.

“Here Comes the Sun” Day Camp
Summer means “sun”, right? What would life be like without the sun? This fun, hands on, solar powered day camp will explore the sun’s power and how we can use it. You’ll even use the sun to make your own lunch! It’s going to be an awesome time. Space is limited to keep you all safe. July 22 Cost is $12.

“Corona Corner” at the 4-H Fair in July
The 4-H Fair will be held here at the 4-H office the last week of July, the 27-31 and possibly Aug 1. We are still working out the specifics but plan on bringing your items on Monday afternoon from 1-7 pm. We will have them judged on Tuesday and then get them displayed nicely for you to come and see toward the end of the week. We will have ribbons and we hope to have some type of premium but we are still working that out.

We thought it would be fun to recognize the effect that the corona virus has had on us this year by having a “Corona Corner” at our Fair. We are working on a special recognition for these projects. Think about what this pandemic has meant to you and how it has affected you. Think of a project that would convey that others or that would be a souvenir for you to remember this year. Write about it, draw it, paint it, build it out of legos, photograph it, sew it, cook it, create it; you define it and then you share it. We hope something like this doesn’t come around again for a long, long time. Give it some thought, this is your chance to create, to reflect, to share and make the best out of everything.
Are You Missing Out on 4-H Extras?

Do you know that you may have missed out on lots of great 4-H opportunities? We send out emails periodically with links to fun projects or opportunities that are too great or happening too soon to wait for the next newsletter. Emails come via 4thonline.com usually from Tamra Cox. Make sure they don’t end up in your “other” or “junk” or “spam” or you will miss out!

We also post as “Tooele County 4-H” on Facebook and Instagram. “Like” the pages so we know you’re seeing them. Follow us so you see them in your feed. This summer, we have a “4-H gnome” out visiting lots of locations around the county and posting social media selfies. Give us name suggestions and then vote for the best one. When you see his pic on Facebook or Instagram, be the first to email Robyn at robyn.handley@usu.edu and correctly identify his location and you’ll win a prize. Seriously, don’t miss out!

Farewell to Michelle Boekweg & Welcome to Summer Interns

With the coming of summer we reluctantly tell you that Michelle Boekweg will be leaving our office the end of May. She and her husband Chance are expecting their first child. We are very excited for them but sad for us. She has been a fun asset in our office. If you see them around town, don’t hesitate to say “hi” and ask about their baby boy.

Summer also means we enjoy having summer interns in our office. Rachel Thomas has already started working for Linden helping with Ag and STEM. Darlene will soon have someone for FCS, we just don’t know who yet...

Upcoming 4-H Events

May

28  Livestock Tagging @ 803 W Vine St., Tooele, 5-7 pm
30  Livestock Tagging @ 803 W Vine St., Tooele, 9 am-noon

June

1  4-H Summer Adventure Challenge begins
2  Coding for Cloverbuds, 10 am
2-5  Quilt! Quilt! Quilt! Over Zoom, for beginners 10 am
3  Livestock Tagging @ Deseret Peak 6-8 pm
4  Pickle ball begins (every Tues at Elton Park) 9 am
5  Teen Council, 4-H office, 7 pm
4-5  Girls and Coding, 10 am-noon
5  Drones I, 10 am
6  Tagging Deadline for Tooele County Jr. Livestock Show
8-10  JYC: via ZOOM (finishing 5th & 6th grade)
9  Babysitting over Zoom (part 1), 10 am (also June 16, 23 & 30)
11  4-H Art: Cloverbuds 1 pm, 8 & up 2:30 pm
   Veterinary Medicine Club organization meeting, 7 pm
15  Drones II, 10 am
16  Paper Rockets, 9:30 am
17-18  Sew Summer Beach Bag: Cut Out, 1-3 pm
17-19  Coding: Scratch, 10 am
22-24  i4-H: combined ZOOM and at 4-H office (finishing 7th & 8th grade)
25-26  Robotics, 9 am-noon
29  Canning Jam, 10 am-1 pm
30  Drones III, 10 am

July

2  4-H Art: Cloverbuds 1 pm, 8 & up 2:30 pm
6  Drones IV, 10 am
Tooee County Jr. Livestock Show Registration Deadline
6-7  Babysitting (part 2, “in person”) 10 am-1 pm or 2-5 pm
8-9  Robotics II, 1-4 pm
13-17  4-H Family Canoe Week (sign up for a time) Stansbury Lake
16-17  Robotics III, 9 am—noon
17-18  1st 4-H Horse Show, Grantsville Arena
20  Sew Day: Skirt & Service Project, 10 am-2 pm
21  Electronics, 2-4 pm
22  “Here Comes the Sun” Day Camp 10 am-1 pm
   Portfolios Due by 6 pm for Livestock Show Record Book Contest
23  Spheros, 10 am-noon or 2-4 pm
28-30  Coding: Python, 10 am-noon
31-Aug 1  2nd 4-H Horse Show, Grantsville Arena

July 27-Aug 1  Tooele County 4-H Fair Exhibit (4-H Auditorium)

August

3  Pen set-up for livestock show, Deseret Peak, 8 am
4  Drones V, 10 am

August 5-8  Tooele County Livestock Show (Deseret Peak)
10  4-H Art: Cloverbuds 9:30 am, 8 & up 11 am
12-14  Beginning Cake Decorating, 10 am-noon
17  Drones VI, 10 am
18-19  Crochet 10 am-3 pm (Beginners on 18th, Advanced on 19th)
21-22  3rd 4-H Horse Show, Grantsville Arena
August 5-8, 2020

For those of you wondering if you should purchase animals for our show or not. We are planning to have the show as usual. We are hoping that by then everything has calmed down. But purchase animals at your own risk as we cannot predict any unforeseen circumstances. It would be a good idea for you to contact buyers and have them lined up.

We will do our best to keep everyone up to date through facebook and the 4-H website and emails.

Tagging Deadlines will remain the same:

April 27th- Beef Tagging Deadline (No beef tagging days. The beef committee will come and tag the beef steers)

Tagging Dates- Goats, Sheep, and Swine (Locations HAVE Changed)
  May 28th 5-7 pm @ Janette Shields’ House: 803 West Vine Street, Tooele
  May 30th 9 am- Noon @ Janette Shields’ House: 803 West Vine Street, Tooele
  (Park on South Side of Vine Street)
  June 3rd 6-8 p.m. @ Deseret Peak Complex
  *If you are unable to get your animal to one of these tagging dates, call a member of the Livestock committee or your FFA advisor/Extension agent before the deadline to make arrangements for tagging

June 6th- Goat, Sheep, and Swine Tagging Deadline

July 6th- Registration Due *New Due Date*

If you do not get your animals tagged before these deadlines you will not be allowed into the show. NO EXCEPTIONS!!!
