4-H EXHIBIT REGISTRATION

1. You must register your 4-H indoor exhibits through the on-line fair registration program. Go to countyfair.usu.edu for county fair registration. Youth 4-H projects must be entered by registered 4-H leaders. Enter the requested information to register. The fair on-line registration will be available July 20 –July 27.

2. The on-line registration will create a 4-H Exhibitor Tag for each exhibit. We will print the tags in color on cardstock. They will be available at the fair for you to attach to your project when you enter it into the fair. Projects with multiple pieces must have a tag for each piece. These tags should be numbered 1 of 3, 2 of 3, 3 of 3, etc. Attach the tag securely to each piece of every exhibit. Specific information is also required on some exhibits in Quilting, Home Environment, Child Care and Food Preservation. The required information is listed under each division in the categories. 4-H will not provide plates for food or garden entries. Please bring your own.

3. Please bring your exhibits to the USU Extension Auditorium (151 N. Main, Tooele) on Monday, July 27th, between 1:00 and 7:00 p.m. for judging the next day. If you have not previously registered your exhibits on-line, you may do it at this time. However, this will require time and you may need to wait for access to a computer. All exhibits must be registered by Monday, July 27, 2020.

4. All indoor 4-H exhibits, including food, floriculture, crops and garden produce, must be delivered to the Extension/4-H Office (151 N. Main, Tooele) on Monday, July 27th between 1:00 and 7:00 pm for judging the next day.

5. All exhibits entered will be awarded a blue or red ribbon. The best of the blue-ribbon projects will receive a high blue rosette. From the high blues, a few exhibits are chosen for “sweepstakes/best of show” and given a purple rosette. All projects awarded a rosette are selected to be sent to the Utah State Fair.

6. All exhibits must be picked up at the Extension office between 8:30 am and noon on Monday, August 3, 2020. If you are unable to pick up your exhibits at this time, please let the 4-H office know, in advance, who will pick them up. All items NOT picked up by August 28th will be donated.

Set up your table setting for judging and display during the fair and then come back on Thursday, Friday or Saturday and see how it was judged.
5. Judging points are given for originality, correct table setting, safety, attractiveness, and appropriateness for menu, color scheme & centerpiece. (We encourage creativity, but the judge should feel comfortable eating at your table as it is set and, on the plates, used.)

TOOELE COUNTY 4-H SHOWCASE FAIR “COVID CORNER”

Entries accepted Monday July 27 from 1-7 pm

This has been a year like no other in our lifetime! Tooele County 4-H Showcase Fair will have a special entry category this year to mark the experience: “COVID CORNER”.

Project entries should be entered first into the appropriate fair category listed in this fairbook. Then, when you bring them to the fair, let us know that they are also a “COVID CORNER” entry as well. To qualify as such, you need to attach a special tag telling everyone how your entry relates to the Covid19 pandemic experience for you. Maybe it is something that you made during the time you were out of school, maybe it is a project that expresses how you feel about the pandemic and its consequences in your life, maybe it is something that you learned to do or improved your ability to do during the time you were sidelined by the experience, maybe it is a tribute to someone that you know (or even yourself) who has been sickened by the virus.

Some entries may not officially qualify as a 4-H project entry. You can still bring them and enter them as a “Covid Corner” entry and be eligible for one of our special “Covid” awards. Write or type an explanation of your entry and bring it to the fair and we will attach it to the special “COVID CORNER” tag. We encourage you to think about this challenge in your life and see what you can tell the rest of us about how you have experienced it. We don’t really know what this will look like, but we are anxious to see what you come up with. We know it will be awesome!

State Recommendations for County Fair Canning Guidelines

Many of the following requirements are based on SAFETY guidelines. ONLY those regarding presentation of exhibit or specific fair preferences are adaptable.

SPECIAL RULES FOR HOME CANNING

Canning rules are based on safe food preservation guidelines from approved sources (National Center for Home Food Preservation (NCHFP), USU Extension and Pacific Northwest Extension, USDA, and Ball Canning). See https://nchfp.uga.edu, canning.usu.edu, or www.freshpreserving.com

1. Only products of home kitchens are eligible.
2. Products entered must have been prepared (by the person entering them) since the last state/county fair. Older products will not be accepted.
3. All entries must be in clean, standard canning jars (e.g. no mayo jars) with new, single-use two-piece lids and rings.
4. A one-quart or pint jar constitutes an exhibit for fruit, vegetables or meat.
5. One standard-size canning jar constitutes an exhibit for preserves, conserves, pickles, and relishes based on recommendations from an approved recipe.
6. One pint or 1/2 pint jar with lid constitutes an exhibit for jellies and jams.
7. Exhibits should be canned using research-tested recipes, i.e., USDA, Ball, pectin brand name or NCHFP guidelines issued 2009 or later. Processing adjustments for altitude, time or pressure must be made and explained on entry label. Find your appropriate altitude adjustments by city: http://extension.usu.edu/juab/files/uploads/FCS/Utah_Altitude_Chart_by_City.pdf or by county: http://extension.usu.edu/juab/files/uploads/FCS/Utah_Altitude_Chart_by_County.pdf by following these provided links.
8. All fresh fruits, jams, jellies, pickles and relishes must be processed in a boiling water bath and properly sealed. Entries processed in a steam canner will not be accepted.
9. No frozen jams or wax seals will be accepted. The presence of mold disqualifies a product.
10. All meats and vegetables must be processed in a pressure canner.
11. The exhibitor is requested to loosen the ring on the jar (so judges can remove ring and examine the head space).
12.
