- Section 4. The President shall vote only when needed to break a tie. The Vice President, Secretary, Registrar, Assistant Registrar and Treasurer will have no vote unless representing their club.
- Section 5. The USU Extension Agent over the 4-H Horse Program may override decisions made by the Horse Council which are not in harmony with the State 4-H Rules and Regulations only after presenting proof of decision to the Executive Council.

Section 11. All 4H youth, family members and visitors agree to adhere to the 4H Code of Conduct.

### **ARTICLE III SHOW MANAGEMENT**

Section 1. Youth must show a minimum of 2 shows from the summer series to be qualified for State, with the 3rd show being the final tie breaker if needed and the test from that show is the overall tiebreaker. {The reason why is because the 3rd show test encompasses the entire 4-H curriculum from the book(s).}

Section 2. State Qualifiers and County overall awards are determined based on the best 2 events in each event over the 3 shows, the lowest scored single event will be dropped, plus any community service points {for a total of 5 points}. Points are given for each youth that show in each event. Blue=15, Red=10, White=5, DQ-1. Place points in each division as is follows: 1=5, 2=4, 3=3, 4=2, 5=1. There will be an audit conducted by the 4H Horse Council Vice President once the show score sheets have been completed by Registrar. VP has a maximum of 3 days to audit the excel spreadsheet provided by Registrar. Leaders then have a maximum of 3 days to review and talk to Registrar and VP with any questions or concerns, from the PDF sent out after the audit. Any actual major discrepancies will be a vote by the 4-H Horse council.

Section 3. In any division with 5 or less youth, the overall test scores/ribbon placings will be determined by taking the number of test questions divided by the number of youths in division and that amount then subtracted from overall total of test questions. Youth with a score within the top range get Blue, next range get Red, then remainder get white. For example: 35 test questions, divided by 3 youth equals 11.5.  $35 - 11.5 = 23.5$ . All youth scoring between 23.5 and 35 will get Blue. From 23 to 12 would get a red and 11 and under would get a white.

Section 4. A. Ribbon awards are as follows for the tests. Youth will be provided a test with questions that will include tie breaker questions. Youth from each division will receive their test score. Ribbons will be assigned by taking the range (from highest score to lowest score) and dividing it by thirds. Top range will receive blue ribbons, middle range will receive red ribbons and bottom range will receive white ribbons. The test score of that show will break any ties in any event. Ribbon and placing points are as

follows for each show Blue=15, Red=10, White=5. Place points in each division as is follows: 1st=5, 2nd=4, 3rd=3, 4th=2, 5th=1. If there are test ties that still need to be broken, youth will be given more questions until the tie is broken. (refer to Article VII Section 2 H)

B. Ribbon awards are as follows for speed events. Ribbons will be assigned by taking the range from the fastest times to the slowest times and dividing it by thirds. Top range times will receive blue ribbons, middle range times will receive red ribbons and bottom range times will receive white ribbons. In speed events DQ's are included in the 1/3 formula and will be taken out of the lower range(s). Ribbon and placing points are as follows for each show Blue=15, Red=10, White=5, DQ-1. Place points in each division as is follows: 1st=5, 2nd=4, 3rd=3, 4th=2, 5th=1.

- Section 5. There will be 5 points awarded for attendance and participation in scheduled community service/clean up. Youth will be allowed to send a substitute in their place in case they are unable to attend. Youth (or substitute) must not be late more than 15 min. and must stay the entire service length, unless prior approval by community service attendant/leader in charge. Youth (or substitute) will need to sign in, get their task and sign out. If there is more than one clean up, points will only be awarded for 1 clean up, but participation in all clean up's is appreciated. If special circumstances come up approval from the Executive Council can be given for an alternate project.
- Section 6. Novice Division-The novice division is being created in 2019 for youth in the intermediate and senior divisions that are new riders and have a horse of bitted age. This is a noncompetitive division and will not receive buckles nor qualify for state. This division is intended to help new riders gain confidence without the stress of competition. Youth that have shown in 4H prior or other horse events are not qualified for this division, nor a horse under age 5. Rules will follow the AQHA rules for Novice, which means 2 hands are allowed if this makes the horse and rider more partnered. One horse per rider. 2 Classes will be offered. Showmanship and Western Rail Work.
- Section 7. The 4H approved Judge list will be discussed with the Horse Council. The Executive Horse Council will select judges. Judges will be contacted by the President each year. The registrar will email the selected judges the patterns, updated rules and show info within 1 week of show date. Judges will be paid \$75 a day or \$150 a weekend.

- Section 8. Judges sheets etiquette. Judges will be asked to double check their sheets and placings before they leave the arena. Judge and ring steward will sign the judge's sheets before leaving the arena. Judge and ring steward will escort the sheets up to the crow's nest. No alterations will be done by the judge once sheets have been initialed.
- Section 9. Show dates will be discussed with entire Horse Council each year and will be voted on by the Horse Council. Venues will be chosen by the Executive Horse Council.
- Section 10. Ranks and Portfolios are highly encouraged, but will NOT be required to compete in the 3rd show
- Section 11. Horse Substitutions are allowed only with Veterinarian note and if approved by the Executive Horse Council. To qualify for state competition and county awards, a youth must ride the same horse for two shows, whether it be the original project horse or the substitute horse. Those two shows, that the same horse was used in, will be the shows that will be used to determine if the youth qualifies for state and the county awards. Only in extenuating circumstances can the Executive Horse Council approve a circumstance that does not fall under the above-mentioned guidelines. If a youth showed all three shows and the 3rd show is the show a horse was used only once, the test can still be used to break ties.
- Section 12. If youth miss an online test, youth will be able to take a written test the morning before the show, this test will be a close book test. They will also receive a ribbon drop. Youth will have a 1-minute leeway for submitting a test. If a youth goes more than 1 minute over the time limit they will receive a ribbon drop and if their score was a placing score they would lose their placing and lose all tie breakers. If a youth goes more than 3 minutes, then they have missed the test and to participate in the show they would need to take the closed book before the show.
- Section 13. Once the online test scores are released the youth will have 1 day to ask the test committee questions. If the test committee agrees there was a mistake made on the test all youth who got the question wrong will receive credit. If the youth does not agree with the test committee's decision, they may file a grievance.
- Section 14. If youth has a disability with documentation, they can present that to the Executive Horse Council for consideration for test accommodations.
