

# Tooele County 4-H Service Adventure Fill and Donate a Winter “Blessing Box”

Tooele County 4-H invites you to join in an awesome county service adventure to close out 2020. Fill a box with the listed items and we will deliver it to a family in need in January. We are focused on the outlying areas of the county but if you know of someone in need, no matter where they live, please let us know!

This adventure is for everyone willing to serve: individuals, families and 4-H clubs; cloverbuds to alumni to leaders. Create a box as a group, where everyone contributes a few items, or see how many boxes your group can assemble. No matter how you go about it, you will make an impact on someone!

Each box must contain:

4 tuna fish (packets or cans)	1 box of crackers (whole grain preferred)	1 coloring book & crayons (or colored pencils)
1 box of hot cocoa packets	2 small blankets	1 hand soap
1 box of instant oatmeal packets	2 pairs of gloves	1 hand sanitizer
1 family size packet of soup mix (just add water type)	2 winter hats (beanie)	1 chapstick
1 package of fruit cups	1 deck of playing cards	1 lotion

**Please pack all items into a box that closes but do not gift wrap it.** You are welcome to add additional items to the box. If you are short 1 or 2 items, please put a note on the outside of the box stating what is missing. We welcome donations of extra items on the list that we could use to fill boxes that might be missing items or are destined for larger households.

**Drop your box off by December 30 at the USU Extension/4-H Office** (151 N. Main St., Tooele) during business hours . Bring it in or call 435-277-2409 and we'll come out to your car and get it.
