Tooele County 4-H

Tooele County Fair 4-H Exhibits! July 31-Aug 5

It's time to show off your 4-H projects! Amaze everyone with what you have learned and accomplished this year in 4-H at the Tooele County Fair at Deseret Peak July 31-Aug 5. The 4-H indoor exhibits are again in the small enclosed pavilion north of the large arena building. Look for signs and a large green inflatable dancing man.

To enter your 4-H indoor exhibits:

- 1. Register your entries online** before you bring them to Deseret Peak. (See page 2 of this newsletter for instructions). It is much easier for you to complete this at home. We will have computers available, but it could be a long wait! The 4-H exhibitor book is available online at tooele4h.org or pick one up at the 4-H office. Cloverbuds can enter up to 12 projects per youth. Please help them choose their best projects. (All Cloverbud projects should be entered in class FB: CLOVERBUD 4-H projects)
- 2. Bring your indoor exhibit entries to Deseret Peak on Monday, July 31st between 1-7 pm.** All 4-H exhibits come in on Monday, including foods and garden produce. The Fashion Revue: Constructed/Modified, Fashion Revue: Purchased/Embellished and the Table Setting contests all happen on Monday, July, 31st, from 4-6 pm. Contact Darlene to sign up for these contests: email darlene.christensen@usu.edu or call/text 435-840-4404.
- 3. Come to the Tooele County Fair and see your entries, participate in fun 4-H sponsored family activities and check out the Jr. Livestock Show events.** Exhibits will be open Thursday-Saturday from 10 am-10 pm.
**We need parents and teens to help watch the 4-H displays during the fair while the 4-H staff runs various activities. Please volunteer for a shift by text/call Darlene at 435-840-4404. It's fun! THANK YOU!
- 4. Pick up your entries and ribbons on Monday, August 7th from 8:30 am until 12 noon at Deseret Peak.** If you can't come during that time, you can make arrangements for someone else to pick up your items. Please, let us know who will pick them up for you. Unclaimed entries will be held until August 31st, then premiums are forfeited.

4-H Exhibits that receive either a purple "Best of Show" rosette or a "High Blue" rosette are those selected to go to the Utah State Fair. We will collect most of those entries and enter them into the fair for you. Food items must be remade for the State Fair and brought to the 4-H office by 9 am on Thursday, Aug. 31st.

Garden produce/crops/flowers can be entered into the State Fair without having been entered first at the county level. Follow the entry requirements in the fair book. They must be of State Fair quality. Produce must arrive at the 4-H office no later than 10 am on Wednesday, September 6th. Call the 4-H office (435-277-2405) if you have questions.

How to Register Your Indoor 4-H Exhibits for the Tooele County Fair

There is a big change in registration for indoor 4-H fair exhibits this year. We will use fairent.com to register. Go to the website and then select "Find Your Fair". Use "tooele" as the search keyword and it will bring up 2 options, choose "2023 Tooele County 4-H Fair". If you have registered for a fair or the livestock show through fairent.com before, enter your login information. If this is your first time using FairEntry, select "Create a New Account". You need 1 account for all family members.

Once you are on the Welcome! page, click "Begin Registration". Enter the exhibitor information and click continue. Enter the mailing address (for additional family members, click "copy" to add the same address.) Each exhibitor can have multiple entries (regular 4-H, 3rd grade and older, can enter unlimited number of classes, up to 2 per lot; Cloverbuds, K-2nd grade may enter up to 12 total entries, all in Class FB, Lot 1) You must enter each entry separately into FairEntry. Click "Select" beside the first division you wish to enter. After you select a division, you will see a list of classes to select from, and then a list of available lots. After selecting the class and lot, click the green "choose" button. Continue adding entries for this exhibitor. When finished click the "continue" button. Review the entries. If you need to make any changes, click the "cancel" button. If everything is correct, click "Create Entries". If you need to add another exhibitor, click on the Exhibitors button at the top left and repeat the steps to create a new exhibitor. Now add their entries.

When you have completed all entries for each exhibitor, click "Continue to Payment" to finalize and submit your entries. (Don't worry, you will not be charged to enter 4-H items into the Tooele County Fair.) Review your entries for completeness and accuracy. Notice the "Summary" and "Detail" buttons at the top of the list on the right. If there are errors, click on the green "Entries section" at the top of the page. Click "Continue" when all information is correct. Once all entries have been entered for all exhibitors in your family, submit the invoice for approval. You will receive an email message when the entries have been submitted for approval. You will receive a second email when the entries have been approved.

Tags must be printed on cardstock. You may print them at home or we will print them and have them for you at the fair. Please note that if your entry has more than one piece you'll need to have a tag for each piece, but it's still one entry. If you have a 3 piece outfit, like a skirt, vest and hat, you should print 3 tags and label them "1 of 3", "2 of 3" and "3 of 3". You need to tag every piece so that they are all identified as yours and that all three pieces together make up one entry.

Regular 4-H youth (finished the 3rd grade and older) may enter a maximum of 2 entries in any project lot. We will only judge and display 2 entries per exhibitor in a lot. Cloverbuds (just finished 2nd grade or younger) may enter up to 12 total entries. All Cloverbud entries should be in Class FB, lot 1 "CLOVERBUD 4-H projects".

It's always a challenge to change how you do something that you've become familiar doing. Believe me, we feel the same way here at the 4-H office. We are here to help but it may take us a little time to figure out the answer. If you have questions, please call the 4-H Office, 435-277-2405. M-Th: 8-6 or F: 8-noon. Be sure to leave a message.

Don't Forget! 4-H Day Camp is July 18th at Stansbury Park Lake

4-H Jungle Cruise Camp is almost here! It is July 18th at Stansbury Park lake and clubhouse area. Sign up on zsuite. Lots of water activities to keep you cool! Family members who are not 4-H members are invited to come too, you will find a link to non-4H registration when you register your 4-H youth. Anyone who has not finished the 3rd grade must be accompanied by a parent. Cost is \$10 per person and includes crafts, activities and LUNCH. Call 435-277-2405 if you have questions.

Congratulations to our State 4-H Championship Winning Livestock Judging Team!

Just a quick woo! hoo! to our newly crowned state 4-H championship livestock judging team! The team consists of Kaylyn Greenhalgh, Kynsie Sessions and Kelsy Shields. They competed at the Utah State 4-H Classic state contests against other teams from counties all over the state. They have earned the right to represent the state of Utah at the national level in Denver in January. Ashton Shields (livestock judging) and Paige Shields (livestock skill-a-thon) competed individually at the 4-H Classic and received blue ribbon recognition. When you see these ladies, let them know that they are awesome representatives of Tooele County 4-H! Congratulations to all!

Table Setting Contest

Get creative and come up with a great table setting for a special occasion. Bring it to Deseret Peak on Mon., July 31, anytime between 1-7 pm. Set up a 1 place table setting (24"x24") and then leave it set up to be judged and displayed for everyone to see at the fair! Here are the rules:

1. Register by email: darlene.christensen@usu.edu or text/call 435-840-4404 by July 30
2. Design a table setting for a meal or event of your choice. (example: a 4th of July BBQ)
3. Plan the menu. Print up a card with your menu on it. Include everything you will serve: e.g. main dish, side dishes, bread, dessert and beverage. Good nutrition is counts.
4. Think of a color scheme/theme, place cards, centerpiece, table covering, dishes and the utensils needed.
5. Bring your menu card, a **1-place setting** with centerpiece and table covering to Deseret Peak on Monday, July 31st anytime between 1-7 pm, set it up for judging and display. Entry must be set up by the participant.
6. Judging points are: correct table setting, originality, color scheme, centerpiece, appropriate for menu and attractiveness. (We encourage creativity but the judge must feel comfortable eating at your table as it is set.)

Fashion Revue: Constructed/Modified and Fashion Revue: Purchased/Embellished Contests

Fashion Revue contests are a tradition in 4-H. They change periodically to adapt to the needs and trends in our society. We have changed our contests this year to be in line with the Utah State 4-H contests. If you aren't sure how your entries fit into the new format, please call Darlene. Be assured that we want all 4-H youth to participate and will help you figure out the best way to do so. Besides, its fun!

The 4-H Fashion Revue Contests will be held Monday, July 31st from 4-6 pm at Deseret Peak as part of the Tooele County Fair. Register for a time slot by email: darlene.christensen@usu.edu or call/text 435-840-4404. Plan on it taking approximately an hour, more if you are doing both contests. It gets busier towards the end of the time block so try to come earlier if you can.

- **4-H Fashion Revue Constructed/Modified Contest** is for clothing items you have constructed (sewn) or significantly modified an existing garment (at least 30% change in the construction/design). You will model for the judge and answer questions such as fabric, pattern, purpose, garment care, and modifications you have made, if applicable. You will be judged on the construction/alteration and modeling, poise, fit and how you answered the judges questions.
- **4-H Fashion Revue Purchased/Embellished Contest** This contest focuses on ready made clothing that you have purchased, possibly embellished and then model for a judge. You will be judged on modeling, poise, fit, suitability and how you answer questions from the judge. Questions may include things like cost, quality, care of garments, and any embellishments that you have added.

"It's A Tradition" the Fair Fabric Challenge

Enter the fabric challenge at the Fair! Simply pick up a kit from the 4-H office by noon on July 28 and create a project using at least 1/2 of the fabric and 1 bead. You can add other things to it to achieve your vision. Let your creativity run wild! Item can also be entered as a 4-H project if there is appropriate class and lot for it. Attach a note that it is also part of the challenge so we know to have it judged both ways. Open to everyone until kits are gone.

Small Animal Contest and Show at the Fair! (sponsored by USU Extension)

Do you keep a small animal such as a rabbit or guinea pig or chicken? Bring your small animal(s) to Deseret Peak on Thursday, Aug. 3 between 8 & 9 am. Animal must comfortably fit in 18x18x24 pen. You are responsible to feed and water your animal twice a day for the 3 days. Plan to collect your small animal between 7 & 8 pm on Saturday, August 5. Open to all county residents. Participants must sign up to watch over the contest area for a 2 hour block during the fair. Questions Contact Linden: 435-277-2407
