Tooele County 4-H

4-H Summer Adventures

Summer is nearly here! Check out the enclosed flyer filled with 4-H adventures and day camps! There’s a variety of activities; we hope there is something of interest to everyone. Register for these activities/camps through 4h.zsuite.org. Your enrollment status must be “active” to sign up for activities. So if you haven’t re-enrolled for 2023, don’t wait. Registration for June camps and activities opens May 15th. July and August activities open June 1 & 15.

A 4-H “Summer Kick-off” activity is June 5 with games, fun, friends and a snack from 10 am-noon at the 4-H office. Must have finished the 3rd grade. Cost is $3. Register in zsuite.

“Jungle Cruise” 4-H Camp at Stansbury Lake July 18

Come sail away to Stansbury Park Lake for the “Jungle Cruise” 4-H Camp on July 18 beginning at 9 am. Cost is $10 per person and includes crafts and lunch. We will have canoes, crafts, and more fun than a barrel of monkeys. All family members are welcome. Everyone who is 4-H age (K-12) must be registered in 4-H so they are covered by insurance. Anyone who has not finished 3rd grade must have a parent accompany them for the entire camp. Adults and younger siblings can register through a link that will be available when you register your 4-H age youth through 4h.zsuite.org. Who know, you might even be lucky enough to see the “back side of water”!

Summer 4-H Drone Opportunities

Drones are lots of fun and they are a useful tool used in a variety of ways. Learn about them in three different camps this summer.

The Tooele County Drone Challenge Camp is July 19-20 from 1-2 pm at the 4-H office. Fly a drone to complete a mission and perform several different tasks. We plan to organize a team to compete at the state Drone Challenge in October. Here’s a chance to see if it is something you would like to do!

Salt Lake County 4-H has extended an amazing opportunity for Tooele 4-H to participate in 2 drone camps. The 1st is August 7th and is for those 14 and older. The 2nd is August 8th and it is open to those 12 and older. Each camp is at the Wheeler Farm Education Center from 8:30 am-4 pm and costs $60. You will come home with your own glider and a mini-drone. These camps are taught by faculty from the Aviation Dept. at USU Eastern. Registration for these 2 camps is open now on zsuite. Space is limited, don’t delay.

Ask an adult or older teen to come with you as your ‘helper’, they don’t need sewing experience. It helps you make steady progress to have someone else listen and observe. Bring a lunch each day. You are welcome to bring your own sewing machine or call Darlene to reserve a 4-H machine to use.

**4-H Favorite Foods Contest: July 25**

Favorite Foods is a favorite 4-H contest! First sign up at 4h.zsuite.org so we know you are coming. Then, on July 25th make your favorite food at home and bring it to the 4-H office at 7 pm. Bring it in a serving dish with a serving utensil. Include a placemat or tablecloth, a centerpiece and the recipe for the judge to look over. After you set up your table space, a judge will come and sample your dish. They will look at the recipe and ask you a few questions about your dish. Things like “why is this your favorite food?” and “what was hard/easy about making it?” Be ready to tell about the nutrition of your dish. Look at the judge when you talk so they hear everything you say. Smile a lot. That’s all there is to it. It’s actually pretty fun! Questions? Call Darlene at 435-840-4404 or Tamra at 435-277-2405

4-H Horse

4-H horse season is off and running! You must be registered in 4-H by May 31 to be eligible to compete in the 2023 4-H horse shows. You must also submit a horse project registration. This tells us which horse you will ride. It must be done by May 31. Talk to your leader if you aren’t sure what this means.

Be sure to join the 2023 Tooele 4-H Horse GroupMe text app. Talk to your club leader or an Executive Horse Council member to be added to it. Announcements come through the app, including gate calls at horse shows.

The horse council is arranging service opportunities for youth and their families to serve our community. Points toward state qualifier standings are given to participants. Be sure to check in and stay for the entire time to receive the points. This is how we show our thanks for use of the arena for our shows. Check with your leader or the Group Me for details.

Tests are online. They are sent to your email after you register for the show. The test is timed, once you begin you have to complete it. Pay attention to when the test must be completed and submitted so you won’t miss out on the rest of the show. Test is required to participate in the rest of the show.

The 1st 4-H horse show is May 19-20. Waffle Love will be there! The 2nd Tooele County 4-H show is June 9-10 (registration is open and closes May 25) and the 3rd show is July 14-15 (registration is open and closes June 26). Look for Les BarBQ at these shows. All shows are at the Grantsville Arena. The state 4-H Horse Show is at the Wasatch County Arena in Heber City, September 20-23. (Two handed and foal is the 21st and the 2-day Western Individual show is the 22nd-23rd.) The next horse council meeting will be June 6.
