New 4-H State Ambassadors

Tooele County has **TWO** new state 4-H Ambassadors representing our Tooele 4-H program!

Lily Hanson- We are proud to recognize Lily for her remarkable accomplishments in the 4-H Horse program. Lily has made history as the first in Tooele County to complete all 5 rank advancements, a journey that takes years of dedication and hard work. In the 4-H Horse program, youth are encouraged to progress through one to two ranks in each age division (Junior, Intermediate, Senior), making this achievement especially impressive. Lily has also earned the honor of becoming the first horse ambassador in the county for 20 years, demonstrating her leadership and passion for the program. **CONGRATULATIONS LILY!!!**

Taylor Whetton- We are excited to congratulate Taylor on being selected as a State 4-H Ambassador! In this prestigious role, she will help plan and lead 4-H camps, strengthen her leadership skills and self-confidence, and proudly represent Utah 4-H at the National Conference in Washington D.C. For her ambassador project, Taylor successfully organized and launched the first ever 4-H Rabbit Show in Tooele County, a 3-month effort that brought new opportunities to local 4-H members. **CONGRATULATIONS TAYLOR!!!**

Make-It Mondays

Register at 4h.zsuite.org

All workshops are held at USU-Extension building

“Make-it Mondays” are less structured activities, so parents are asked to stay with their children in case they need help or finish early. Registration is required and class sizes will be bigger since youth should bring an adult available to assist them.

- 1st and 3rd weeks are for Cloverbud Age (K-2nd grade)
- 2nd and 4th weeks are for 4-H age
- 5th week? Bonus! All ages welcome.

We will be announcing each month's activities on the 15th of the month prior on zsuite, instagram and facebook. November's activities will be released October 15th, December's on Nov 15th, etc. This gives volunteers a chance to step-up and get involved!

We want YOU to help! Have an activity to donate or run? Does your child want to share their passion with others? Contact Kortni at kortni.hafen@usu.edu or (435)277-2405 or stop by the office for more information.
