Mentors Needed!

This goat show is a fun opportunity for children with special needs to raise and care for a goat. We are looking for youth with experience in raising and showing livestock to help mentor the exhibitors. Mentors will teach the exhibitors how to properly care for and train the goat and assist with any questions that may come up. The mentor will also need to help the exhibitor get their goat ready for the show (wash and shear) and assist in the show ring. A group of 2 or 3 mentors will be assigned one exhibitor to help. This is a great way to build a friendship and serve someone else.

If you are interested in being a mentor, please return the form below by **April 1st** to:
