Monday, June 7, 2021
Check-in: 9:30am Show: 10:00am
Western Park Indoor Arena

This goat show is a fun opportunity for children with special needs to raise and care for a goat. Exhibitors can buy their own goat or there are goats available to borrow and then return after the show. Exhibitors must have a place to provide the animal with shelter, be able to purchase food for the animal (est. \$60), and have time to exercise and train the animal. Each exhibitor will be provided with mentors who will check-in periodically and help answer any questions that may arise. The mentor will also help to make sure the goat is properly groomed for the show and assist the exhibitor in the show ring if needed. Preschool-12th grade exhibitors are welcome to participate.
