RULES:
- Each task must be completed with both the mentor AND the mentee present.
- Both the mentor and mentee must complete each task.
- Each task must be signed off by the mentor upon completion.

Mastery Tasks:

Together, research official rules, techniques, and history of baseball or softball:

After researching the rules, the mentee must be able to explain to the mentor how innings work:

Learn how to pitch over-hand and under-hand. Practice by pitching to your mentor:

Practice your hitting skills by hitting 10 fair balls:

Learn about the outfield positions. Practice catching the ball in each of the different positions:

Practice using a mitt by catching the ball 10 times in a row:

Practice catching by having the mentor pitch to you on the pitcher’s mound and the mentee behind the plate:

Practice running the bases and sliding into home 5 times:

Learn about the infield. Practice catching from each position:

Gather some friends or other mentoring pairs and play a game of baseball:
