MESSAGE FOR CLUB LEADERS

CLUB RENEWAL

Dear club leaders,

As we approach the end of the 2022-2023 4-H year, we want to extend our deep appreciation for your dedication and hard work in mentoring and empowering our 4-H youth.

As the 4-H year comes to a close, it is time to start the process of renewing our clubs for the upcoming year.

Club renewal begins: August 1st

Club renewal deadline: August 31st

Club renewal process: renew your club in three easy steps.

1. Fill out the club charter request-renewal form. You can find the form at: <https://extension.usu.edu/utah4h/files/4-h-charter-form.pdf>.
2. Download the form with your changes.
3. Email the form to the 4-H coordinator over your project area. If your club is in the STEM, FCS, horse, and small animal project areas, please email Heather Thomson at heather.thomson@usu.edu. If you have a livestock club, please email Corianne at corianne.mangelson@usu.edu.

If you need assistance or have questions, please do not hesitate to reach out. You can call the office at (385) 268-6531 or reach our coordinators by email.

We ask that you please share this message with your fellow club leaders and remind them of the deadline.

Thanks once again for your commitment and dedication. Your efforts have been integral to the growth of our 4-H program and its members. With your continued support, we are confident it will be another incredible 4-H year!

Sincerely,

The Utah County 4-H Staff

Quick Tips

Be prepared for the judge to ask questions.

In a showmanship class, the judge may want to see how knowledgeable you are about your project. They may ask you about your feeding program, exercise program, and basic animal science questions such as the parts of the animal.

In a market class, the judge may ask how old your animal is and how much it weighs to help them make a more informed decision.
