4-H UNIVERSITY

October 21, 2023

10:30 am - 11:30 am

Virtual

What is 4-H University?

4-H University is a day camp hosted by the State 4-H Office at to teach Intermediate aged 4-H members about the next steps toward a successful future. We partner with on campus departments to allow youth to experience what it would be like to earn a degree and work in a career related to their current interests. Youth attendees will have the opportunity to choose between Ag/Animal Science, Aviation, Outdoor Product Design, Small Business Development, or Outdoor Recreation and Tourism for their departmental experiences. We also host workshops for all attendees about career readiness such as scholarship preparation, communication skills, interviewing, resume development, adulting, and financial readiness. This is an incredible opportunity for 6-8th grade youth to explore ideas for their education and career readiness.

Registration

Registration is open from October 1st to October 20th. To learn more and to register, visit: extension.usu.edu/utah4h/events/4h-university.

To compete, youth must be ages 8 to 18 but we allow youth 5 and up to participate. All ages and breeds or mixed breed dogs are allowed to be part of the project. Youth may compete with more than one dog and siblings may share one dog and compete in separate events.
