USJLS

Welcome . . .

This is the 98th consecutive year that our communities have supported the Utah State Junior Livestock Show. That support is not given lightly in this day and age when there are so many other youth activities that compete for both time and money. I believe that the continued financial and man hour support is given because people recognize that the Livestock Show provides valuable experience to our youth. It provides lessons in their youth that can be used throughout the rest of their lives.

The volunteers that work to put on the stock show have accumulated hundreds of years of service between them. Some have served for over 25 years. Some will serve for the first time this year. All are dedicated to making this the best experience possible for our youth. I cannot express how grateful I am for all the great people that help make the Utah State Junior Livestock Show the success that it is.

All of us will make the 98th Utah State Junior Livestock Show another great experience.

UTAH JUNIOR LIVESTOCK SHOW ASSOCIATION OFFICIAL RULES

2022 Show Season

These rules and guidelines are aimed at standardizing junior livestock shows in Utah. Standardization will help provide the best possible educational experience for the young people in the state of Utah who have 4-H or FFA livestock projects. The Utah Junior Livestock Show Association is given this responsibility by the Utah Administrative Rule R65-8 and Utah Code Section 4-2-103(1)(i), 103(1)(m) through the Utah Department of Agriculture and the Utah Legislature. ***These rules are to be in effect at any show receiving funds through the Association.*** Every effort has been made to insure the accuracy of this information as it is distributed or published by member shows. However, exhibitors are cautioned that the current rules and regulations of the Utah Junior Livestock Show Association, as interpreted by the officers of the Association, will take precedence over such listings due to the possibility of typographical error or inadvertent omission.

- **A Total Experience:**

Exhibitors are encouraged to participate in the complete educational opportunity that junior livestock shows provide, such as the rate of gain, carcass, fitting and showing, record book, and livestock judging contests along with the judging of market and breeding animals. It is the purpose of these projects to develop life skills, animal husbandry and marketing skills among the participants.

- **Tagging:**

All animals must be tagged with standardized tags to be eligible to show at any Utah Junior Livestock Association supported show. Exhibitors will be verified as 4-H and FFA members in good standing by their county office or FFA advisor. Contact your county extension staff, FFA advisor, or show director for specifics on tagging animals and being verified within your county.

A. GENERAL RULES

1. **Age:** -- Utah 4-H Age Divisions are based on a child's school grade. The Utah 4-H year will begin on September 1, 2020

- Junior 4-H Members 3rd* through 5th Grade
- Intermediate 4-H Members 6th through 8th Grade
- Senior 4-H Members 9th through 12th Grade

*Youth MUST be age 8 AND in 3rd grade to participate in large animal projects. Youth turning 8 AND in 3rd grade may participate after their 8th birthday during the 4-H year. Please note that youth must turn 8 by the ownership deadline (100 days prior to the show for cattle, 60 days prior to the show for sheep, goats, and hogs) to participate in the livestock program.

2. **Group Affiliation** -- An exhibitor may enter a given show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at time of entry.

3. **Ownership of animals** - The exhibitor will own, possess, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine, market sheep and market goats immediately prior to the opening day of the show in which they intend to participate. No interruption of ownership or possession can occur. Every Grand and Reserve Champion will be tattooed in the left ear with a CH for champion. Animals with this tattoo are not eligible to enter and show in any association member shows.

4. **Fitting on show grounds** -- Parents, guardians, siblings, club leaders, extension/4-H agents and FFA advisors may assist, and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.

5. **Code of Ethics** (rules 5a through 5i) – The following practices or procedures are unacceptable in the care, fitting, preparation and showing of all classes of livestock. Any violation of association rules or specific rules as designated by individual fairs and livestock shows may result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in Association member shows. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other member shows will be notified of any action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final. a. The use of any drug, tranquilizer, sedative, or depressant, which alters the psychological or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of

others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. This includes any non-labeled feed additives or substances not approved for that species. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified. Use of an illegal drug is considered a premeditated act and any information obtained in the practice of illegal alteration of any animal will be turned over to the proper authorities for possible criminal prosecution.

b. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.

c. Treating an animal internally or externally, with any irritant, counterirritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to, the use of graphite, powders, hemp, artificial hair, coloring, common products such as fly spray, ointment, or liniment used to the point that it is irritating, or similar type products. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler, etc. Drenching will not be allowed unless the show veterinarian or a show official is present and is needed for emergency purposes only.

d. Each exhibitor has absolute responsibility for the care and condition of the animal(s) they enter and bring to the show.

e. The use of inhumane fitting, showing, and handling practices or devices shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, muzzles, etc. is not acceptable.

f. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.

g. Market grand and reserve champion animals that pass through a sale, may be drug tested, at the discretion of the show.

h. At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center for any reason. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.

i. Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials.

6. Code of Conduct - All 4-H and FFA members, family members, and associates will exhibit good sportsmanship at all times. Every exhibitor, family member and associate of exhibitor, is required to follow the Utah 4-H and Utah FFA Code of Conduct at any Utah Junior Livestock Association sponsored event. Here are a few points from the Code of Conduct that we want to remind you:

- Have positive character and behavior
- Follow guidelines and rules
- Be responsive to reasonable requests of show management and event staff
- Be respectful of the safety of others
- Dress appropriately, use appropriate language, and respect the rights of others
- Be respectful of property
- Do not behave recklessly, assault, threaten, or harm another person

Be aware that abuse of animals or people of any kind by any member or associate will be cause for disqualification of the 4-H or FFA exhibitor. If any participant, volunteer, or associate violates the Code of Conduct or jeopardizes the safe environment of any Utah Junior Livestock Association sponsored activity or event, that individual will be subject to suspension from further Utah Junior Livestock Association activities. A suspension is appropriate if there are multiple written statements regarding the aforementioned behaviors, and if measures have been taken to correct the behavior with no change. Each situation is evaluated individually and will be discussed with county 4-H and FFA faculty and staff as appropriate to determine when the suspension can or will be lifted.

7. Dress Code—4-H - A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts must be solid white in color and need not be Western style. Black or blue pants are to be worn. ***4-H patch with the 4-H emblem must be worn on the upper left sleeve.*** Patches must be visible during the event. No patch or patch not visible is not considered Official 4-H Dress. Acceptable patches include any previously manufactured USU patch or other 4-H patches available for purchase through the 4-H mall that includes a big clover. These are available online at <https://shop4-h.org>. Embroidered or screen printed 4-H clover emblem are acceptable. Questions regarding official 4-H dress will be deferred to the Utah 4-H Website or the Utah 4-H representative in attendance of the show. **FFA** - Either a white shirt, tie and FFA jacket, or a white collared shirt with the FFA emblem and tie.

The following will not be allowed: T-shirts, tank tops, tube tops, sleeveless shirts and vests.

Exhibitors who fail to abide by dress standards will forfeit prize money.

8. Sales Fee - A sales fee not to exceed 5% will be withheld from sales checks by all state-assisted shows. Any purchaser(s) of animals from a Junior Livestock Show Auction must pay the Show the full purchase price of sale regardless of buy-back.

9. Show Eligibility - Animals are eligible for any show for which they meet ownership and show requirements.

10. Change of Ownership - Once an animal has gone through any stockshow sale, regardless of buyback or no-sale, it is no longer eligible to enter a state assisted show.

11. Lamb Docking Rule – Scientific research indicates that the incidence of rectal prolapsed is reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at the distal end on the caudal fold (3rd caudal vertebra). Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects. *Market lambs or breeding sheep showing any signs of contagious disease or current or recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted from Utah Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and their determination is final.*

B. MARKET ANIMAL RULES:

1. Drug Withdrawal -- It is unethical and in most cases even unlawful to administer drugs to livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be withdrawn from their class rather than be tranquilized. The local show committee and the show veterinarian will monitor this situation. By federal regulations, random testing will occur at slaughter, and animals will be condemned which have been given any injection or oral dosages of tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat medicine and other medications with no withdrawal requirements may be permissible. Exhibitors need to be aware of potential health hazards to consumers who eat animals that have received any above-mentioned substances. Please do not put someone's life in jeopardy.

2. Tagging – Tagging policy and deadlines found at <https://utahjuniorlivestock.com/junior-livestock-tags>. Should a tag be lost or pulled out of an animal's ear, the exhibitor will advise the county extension staff, FFA advisor, or show director immediately so that the tag can be replaced.

3. Entry Forms & Deadlines – Exhibitors must check with each livestock show for entry deadline for that specific show. Exhibitors are responsible for mailing their own entry form. Entries postmarked by that date will be accepted. Exhibitor must declare which animals are to be shown, and submit an entry form and entry fees to the appropriate shows, including State Association ear tag numbers. The tag number and alternate tag number must be specified on the exhibitor entry form to be eligible. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species entered. Forms must be signed by proper Extension/4-H agent or FFA advisor to verify exhibitor and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility for group and family feeding programs.

Entry forms for fitting and showmanship classes must also be submitted by the entry deadline of the show and need to indicate class to be entered (species) and age of exhibitor.

Entry fees will not be withheld from sales checks. Entry fees are to be sent along with all entry forms.

4. Poultry - In keeping with the desire to help eliminate disease problems, certain counties will not be eligible to receive turkey poultry from the Moroni hatchery. Exhibitors may, however, have turkey projects along with family commercial operations. An exhibitor will own, feed and care for his/her project turkeys for not less than 20 weeks prior to the turkey show. Birds must not be more than 24 weeks of age at the time of the show.

C. BREEDING ANIMALS:

Exhibitors are encouraged to expand their scope of livestock project experience to include breeding livestock projects.

D. RULE ENFORCEMENT:

The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing to the Utah State Junior Livestock Shows Association Board. Shows that do not comply and enforce the rules adopted may lose Association funding. If immediate action is needed, the board of the Utah State Junior Livestock Shows Association is empowered to make the ruling decision. The State Veterinarian has the final ruling on lamb tail docking and any health issues.

SPANISH FORK UTAH STATE JR. LIVESTOCK SHOW RULES AND REGULATIONS

(EXCEPT AS PROVIDED HEREAFTER, STATE ASSOCIATION RULES APPLY)

1. Officials hold final decision and control. All exhibits, grounds and buildings will be under the entire control and management of the officers.
2. The Board of Directors have the final and absolute right to interpret all matters arising out of or connected with the Show or Sale.
3. All market and breeding classes are limited to 4-H and FFA exhibitors.
4. Animals in market and breeding classes will be classified for judging by committee.
5. All market beef, market lambs, market goats, and market hogs in each division (4-H and FFA) will be judged jointly.
6. When there is limited competition, the judge is requested to award such premium as the exhibit merits in his/her opinion.
7. Questions or problems are subject to review by 1) Committee Chairperson; 2) Manager; 3) Board of Directors.
8. The stalls, pens, exhibitor's area must be cleaned by 8:00 a.m. each day and kept clean. All refuse matter will be disposed of as the committee chairperson may direct.
9. The Utah State Junior Livestock Show will not be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any loss or damage done to another or occasioned by, arising from any animal or article exhibited by any person(s), and shall indemnify the Utah State Junior Livestock Show against all legal or other proceedings in regard thereto.
10. Exhibitors shall furnish necessary feed.
11. All exhibitors should attend the Exhibitors Jamboree to receive awards and prizes.
12. **In fitting and showmanship contests exhibitor must show their own animal entered in their name at the show for that division (i.e. market animal in market showmanship and breeding animal in breeding showmanship).**
13. Failure to comply with these rules or bad conduct will forfeit prize money.
14. All showing and selling of market animals at the show must be done by exhibitor unless excused by the management for reasons that are deemed sufficient. Failure to comply will result in animal being sifted or prize money withheld.

15. All male animals in all market classes must have been castrated.
16. No one is allowed to sleep in the barns.
17. No dogs, or squirt guns allowed on stockshow grounds. No lariats in an enclosed area.
18. The Utah State Livestock Show will not be responsible for breeding animals, white ribbon market animals, and market animals withdrawn from sale or left on the show grounds after 3: 00 p.m. on Saturday of the show.
19. Any white ribbon market animal or market animal withdrawn from the sale that are being sold to the packer must be placed in a pen designated by the show officials prior to the beginning of the livestock sale on Saturday morning.
20. All animals sifted for non-health reasons can compete in Fitting & Showmanship. **Animals sifted due to health reasons must be removed from show grounds immediately.** (See Sifting of Exhibits on page 14)
21. Champion and Reserve Market Champion animals may be drug tested.
22. Champion and Reserve Market Champion animals will be tattooed according to the state rules.
23. **All pens for market and breeding animals must be cleaned, taken down, and panels placed in the designated area by the close of show. Penalty for not cleaning pens will be deducted from the sales check in the amount of \$25.00.**
24. All animals shall be penned in assigned areas and cannot be shown off a trailer.

ENTRIES

(Please Read Carefully)

ALL ENTRIES CLOSE April 1, 2022. All entries should be made online at usjls.fairentry.com . Enter only the number of animals to be shown plus one alternate per species. Questions, check this sheet [FairEntry.Family.HelpsheetMar2017.docx](#). Then call Lisa (801) 318-3598.

1. When filling out the entry forms make sure you put the address that you want your check mailed to and a correct phone number and email where you can be contacted in case there are any questions.
2. **Entry & Bedding fee of \$10.00 for each market animal. Breeding animals \$5.00 each.**
3. Exhibitors can enter and show any combination of two market animals, except only one hog per exhibitor can be shown. Exhibitors can only sell one (1) animal. All overall champion and reserve market animals must sell.
4. All animals must remain on show ground until 3:00 p.m. Friday.
5. Up to date record books must be approved by FFA advisors and county agents before entries will be signed for show. Animals exhibited in market division cannot be shown in breeding division.

WEIGHING and CHECK-IN

All animals will be weighed by the committee during the designated time period. An exhibitor will have only one opportunity to weigh each animal on the designated scale for that species. Animals must meet minimum weight for market classes and breeding goats. Breeding beef need to be checked in but do not need to go across the scale.

Weigh-ins will be May 3 from 5:00 – 9:00 pm

Market Hogs	Hog Barn	235 lb minimum
Market Lambs	Lamb/Goat Barn	90 lb minimum
Market Goats	Lamb/Goat Barn	45 lb minimum
Market Steers	Beef Barn	1100 lb minimum

All breeding animals need to be checked in on May 3 from 5:00 – 9:00 pm

Breeding Sheep	Lamb/Goat Barn	Weighed
Breeding Goat	Lamb/Goat Barn	Weighed
Breeding Beef	Beef Barn	Not weighed

SIFTING OF EXHIBITS

1. Department committees will examine all exhibits and eliminate any animals not considered of suitable quality, condition, age or health to enter competition. Animals not properly trained to handle will be sifted. They will be examined at time of weigh in or any time during the show. Those not meeting the above standards will be sifted at that time.
 - a. *Animals sifted due to health reasons* must be removed from show grounds immediately, and cannot compete in fitting and showmanship.

ANIMAL HEALTH

1. Any female breeding beef over 12 months of age must be officially vaccinated for brucellosis. Brucellosis tattoo must be legible as proof of vaccination.
2. All breeding sheep and ewe lambs and doe goats must have a scrapie tag.
3. Vet may verify age of steers to be under 24 months.

SALE OF ANIMALS

1. All entries in market classes are accepted with the distinct understanding that all animals will be sold at auction following exhibition and judging, unless animals are being pulled per rule #2. Grand and Reserve overall market animals must sell.
2. **Exhibitors exhibiting two market animals or wishing to pull their single animal from the show are required to complete the pull form and turn into show office by the end of the last market show Thursday evening.** Exhibitors are required to provide the tag number of the animal to be removed from the sale.
3. ALL MARKET BEEF MUST HAVE PROOF OF OWNERSHIP BROUGHT WITH THE CATTLE AT THE TIME OF WEIGH IN. A brand inspection certificate must be in possession at time of consignment. A bill of sale is a document transferring ownership and includes marks, brands, sex, breed, color and other identification. In case of branded animals, bill of sale must be signed by seller.
4. Exhibitors must not remove any animals before Friday afternoon at 3:00 p.m or without expressed permission from the show committee. Any violation of this rule subjects the exhibitor to a forfeiture of all premiums won by the exhibitor.
5. The show management shall have entire and complete say as to how and when animals are entered in the auction sale. It shall be the aim of Show officials to so classify sale entries that animals of similar quality shall follow each other in sale order.
6. Owners of animals are responsible for their animals until they are sold. Buyers are then responsible.
7. Each Buyer must sign up for a Buyer Number and provide the correct billing address and phone number.
8. A sales fee not to exceed 5% will be withheld from sales checks for all market livestock sold.
9. If an animal is going to be split between multiple buyers you must come to the sales office on sale day to specify how the bill is to be split. If not, the bill will be split evenly between the buyers.
10. All sales are final once an animal has been sold through the sale ring. No buying back or trading animals will be allowed post sale. Animals boosted or sent to the floor are the property of the floor buyer.
11. **Exhibitors will not receive their checks until the purchase of the animal has been paid in full. Regardless, checks will not be issued before June 15th.** If an exhibitor loses their check a \$25 stop payment fee will be assessed. The fee will be deducted from the reissued check.
12. Market animals will be sold on a "by the head" basis.

PACKER BIDS

1. Packer bids will be taken for the floor price of the market animals. If you are interested in bidding please contact Shane Sorensen (801) 420-2962 or Ben Mangelson (385) 312-4392 prior to the show to receive a floor bid packet with more information and details.

LIVESTOCK JUDGING CONTEST

1. Teams will consist of four members. State 4-H and FFA rules will apply.
2. When possible the entire contest will be held in the show arena.
3. Members enrolled in both 4-H and FFA must declare which division they are judging in.
4. All teams must be accompanied by a group leader to help score the contest unless they are involved in another area at the show, otherwise the team will not be scored.

MARKET BEEF

CHAIRMAN Lynn Swenson

COMMITTEE Mick Balzly, Nicole Draper, Kirt Gurney, Jordan Nielsen, Jessica Swenson, Brad Beck

1. Only steers can be shown in the Market Beef Division.
2. Premiums for the various ribbons will be pro-rated according to the number and quality of animals shown.
3. Minimum weight is **1100 lbs.**
4. All market beef will be stalled in an area designated by the committee.
5. The maximum weight used to calculate the floor price will be 1350 pounds. ALL weight over 1350 lbs. will be donated to the buyer.
6. **Market beef over 24 months of age will be sifted. A certified veterinarian may be asked by the committee to determine age by examining the animal's teeth. Steers may have no more than two permanent teeth, with all other teeth being baby teeth which are in place.**
7. Unruly animals may be excused from the show.
8. Champion and Reserve may be drug tested. All Champions and reserves will be tattooed according to state rules.

MARKET BEEF FITTING AND SHOWMANSHIP CONTEST

CLASS 1- School Grade 9 and up- Senior

CLASS 2- School Grade 6, 7, 8- Intermediate

CLASS 3- School Grade 3, 4, 5- Junior

1. Animals must be completely groomed and ready for contest when entering the arena.
2. Only animals entered as Market Beef are eligible.
3. In fitting and showmanship contests exhibitor must show their own animal entered in their name at the show for that division (i.e. market animal in market showmanship and breeding animal in breeding showmanship).

BREEDING BEEF CATTLE

All major registered breeds and percentage commercial heifers

CHAIRMAN COMMITTEE

Cody Wride; Ryan Wride

Nicole Draper, Brian Sorensen, Jared Smith

1. Exhibitors may exhibit two animals of any breed within a class.
2. The following information must be specified for each animal on the entry form to be eligible to show: breed, sex, birthdate, tattoo, and registration number (if registered). If the animal is registered, the name of the animal and its sire must be listed as they appear on the registration papers.
3. Junior registered heifers will be shown separate from commercial heifers. If the registration information required in item 1 is not specified on the entry form, the animal will be included in the commercial class.
4. All animals shown in the registered division must be registered in an accepted breed association.
5. **All animals must arrive and be checked into the show with the chairperson or his designee by 11:00 a.m. on Wednesday to facilitate the breakdown of classes. No exceptions.**
6. Breeding beef must have proof of ownership at the time of weigh in. A brand inspection certificate must be in possession.
7. All junior exhibitors must be current members of 4-H or FFA.
8. For any animals not penned in closed stalls, a neck rope will be required.
9. Nose leads will be required for all bulls over 12 months of age.
10. Animals must be completely groomed and ready for show when entering the arena.
11. All cattle being shown in the breeding classes must remain until Friday at 3:00 p.m. No exceptions. All prize money will be forfeited if animals are taken before the authorized time.
12. Unruly animals may be excused from the show.

BREEDING BEEF CLASS BREAKDOWN

Classes

1. Bulls – Bulls will be shown together regardless of age, unless sufficient numbers are entered to justify multiple classes.
2. Heifers (Open and Bred) – Heifers will be separated into classes based on age. If the Committee determines that sufficient numbers from individual breeds are entered, classes may also be separated by breed.
3. Cow/Calf Pairs – Cow/Calf Pairs will be shown together regardless of age, unless sufficient numbers are entered to justify multiple classes.
4. Bred and Owned Female – This division is being created to promote beef production. To qualify for this class, the female must have been bred by the exhibitor and/or their immediate family. These heifers can also be shown in Class 2.

BREEDING CATTLE FITTING AND SHOWMANSHIP

(Following Quality Show)

CLASS 1- School Grade 9 and up- Senior

CLASS 2- School Grade 6, 7, 8- Intermediate

CLASS 3- School Grade 3, 4, 5- Junior

1. Participants must have exhibited at least one animal in the Breeding Cattle Division.
2. The animal being shown must have been exhibited by the participant in the Breeding Cattle Division.
3. Participants may show heifers only in the showmanship division. NO BULLS will be allowed in the showmanship division.

BREEDING SHEEP DIVISION

CHAIRMAN
COMMITTEE

John Olsen
Amanda Olsen, Jorgen Olsen, Trisha Olsen, Annie
Langston,

Frame: Hampshire, Suffolk, and all other recognized sire breeds.

Wethersire: Hampshire, Suffolk, AOB, and crossbred

Wool: Columbia, Rambouillet, and all other recognized breeds

Breeding Sheep Classes:

1	Ewe Lambs	1	Ram Lambs
2	Yearling Ewes	2	Yearling Rams
3	Aged Ewes	3	Aged Rams
4	Champion Breed Ewe	4	Champion Breed Ram
5	Supreme Ewe	5	Supreme Ram

RULES

1. Exhibitors may exhibit two animals of any breed within a class, but must provide their own help in showing the animals. Assistants must be a 4-H or FFA member.
2. **All animals entered must have a scrapie tag and be inspected by the vet prior to penning.**
3. Animals will be placed by breed within each class.
4. The top two animals from each breed will compete in the championship classes.
5. Animals will be judged according to published breed standards.
6. Lambs entered in market lamb division are not eligible for show in the breeding sheep division.

BREEDING SHEEP FITTING AND SHOWMANSHIP

CLASS 1- School Grade 3, 4, 5- Junior
CLASS 2- School Grade 6, 7, 8- Intermediate
CLASS 3- School Grade 9 and up- Senior

1. Participants must have exhibited at least one animal in the Breeding Sheep Division.
2. In fitting and showmanship contests exhibitor must show their own animal entered in their name at the show for that division (i.e. market animal in market showmanship and breeding animal in breeding showmanship).

MARKET LAMBS

CHAIRMAN COMMITTEE

Ben Mangelson
Cliff Brimhall, Greg Maughan, Logan Jensen,
Kenton & Cheryl Phillips, Clark Thatcher

1. Top placing lambs in each class may be eligible to compete for champion.
2. MARKET LAMBS MUST WEIGH 90 LBS. MINIMUM WITHOUT BLANKETS.
3. The maximum weight used to calculate the floor price will be 150 pounds. ALL weight over 150 lbs. will be donated to the buyer.
4. Grand and Reserve market lambs may be drug tested. All Grand and Reserve animals will be tattooed according to state rules.
5. All exhibitors will be required to take down all panels and stack panels on trailers.

MARKET LAMB FITTING AND SHOWMANSHIP CONTEST

CLASS 1 – School Grade 9 and up – Senior

CLASS 2 – School Grade 6, 7, 8 – Intermediate

CLASS 3 - School Grade 3, 4, 5 – Junior

Fitting and showmanship contest is for market lambs only

In fitting and showmanship contests exhibitor must show their own animal entered in their name at the show for that division (i.e. market animal in market showmanship and breeding animal in breeding showmanship).

MARKET GOATS

CHAIRMAN
COMMITTEE

Bryan Ottesen
Cody Holt

1. Market Goats must have a minimum weight of 45 lbs. to be entered into the show.
2. Doe Goats must have an official Scrapie tag.
3. Market Goats should not be older than 12 months. Goats must have milk teeth in normal positions and have no permanent incisors erupted.
4. Wethers must be castrated prior to the show.
5. Goats will be required to be either disbudded or have horns tipped prior to the show. No sharp points will be allowed. No tipping of the horns will be allowed on the grounds.
6. Goats should be shorn uniformly $\frac{3}{8}$ " or less above the knees and the hocks. Leaving a tail switch is permitted.
7. Wether and doe kids will be shown together. Classes will be divided based on weight. Market goats cannot be shown in the breeding goat division.
8. All Market Goats will be stalled in an area designated by the committee.
9. Premiums for the various market grades will be pro-rated according to the number and quality of Market Goats shown.
10. Champion and Reserve animals may be drug tested. Champion and Reserve animals will be tattooed according to state rules.
11. Exhibitors must show their own market goat or breeding doe kid in the Showmanship contest.

Goat Fitting and Showmanship Contest

Class 1 - School Grade 9 and up - (Senior)
Class 2 - School Grade 6, 7, 8 - (Intermediate)
Class 3 - School Grade 3, 4, 5 - (Junior)

BREEDING GOATS

CHAIRMAN
COMMITTEE

Bryan Ottesen
Cody Holt

Breeding Doe kid show

Breeding doe kid classes are used to encourage youth to gain more experience and skills with their livestock project. They learn so much more about animal husbandry and they help develop their own breeding programs. Breeding does should help provide this experience and should be the exhibitor's own animals. Borrowing or showing someone else's animal in breeding stock does not give youth this intended experience.

1. 2 does will be allowed but only one doe per class. If you end up with 2 in one class you will have to bump one up. No bumping down.
2. Does will be shown by weight. Classes will be divided by the committee.
3. Does need to have milk teeth in place and be less an 1 year old
4. Does must have scrapie tags in place.
5. Does may be shown with hair or clipped.
6. Breeding does and market goats must be different goats
7. There will be one goat showmanship (combined market and breeding). Exhibitors must show their own market goat or breeding doe kid in the Showmanship contest.

MARKET HOGS

CHAIRMAN COMMITTEE

Garrick Liddiard
Jen Gardner, Hayden Redd, Corbin Redd, Heidi Jensen, Alan
Jensen

1. Hogs will be weighed into show and classed by weight.
2. Market Hogs under 235 lbs. will be sifted.
3. Exhibitors only will be allowed in show ring.
4. The maximum weight used to calculate the floor price will be 280 pounds. ALL weight over 280 lbs. will be donated to the buyer.
5. Feeding of hogs and cleaning of pens must be done before 8:00am and between the hours of 5:00 and 7:00pm. Troughs and feed shall be moved from the barn at all other times.
6. Hogs must be fed away from the alleys and troughs must be kept out of the alleys.
7. All hogs must be washed and clipped before they are weighed for entry into the show.
8. Exhibitors not conforming to these rules and to the directions of the committee shall forfeit prize money and their stock shall be removed from the barn.
9. The committee reserves the right to apportion of space as necessary.
10. Waste bedding and manure must be piled in designated area.
11. ALL ANIMALS MUST BE TRAINED TO HANDLE PROPERLY.
12. HOGS MUST NOT BE RESTRAINED ON THE SHOW GROUNDS.
13. Grand and Reserve market hogs may be drug tested. Grand and reserve market hogs will be tattooed according to state rules.
14. **Exhibitors must clean all bedding out of pens and take down their own hog panels following the sale. Failure to do so will result in a \$25.00 fine being withheld from check.**

SWINE FITTING AND SHOWMANSHIP CONTEST

CLASS 1- School Grade 9, and up (Senior)
CLASS 2- School Grade 6, 7, 8 (Intermediate)
CLASS 3- School Grade 3, 4, 5 (Junior)

ROUND ROBIN SHOWMANSHIP CONTEST

CHAIRMAN

Jim Jensen

The showmanship champions from each age class in market and breeding are invited back into the ring following the last showmanship class to compete in showing each species. Each exhibitor should bring their own animal and equipment.

2021 AWARD SPONSORS

A HUGE THANK YOU TO OUR AWARD SPONSORS . . . WITHOUT THE SUPPORT OF THESE GENEROUS INDIVIDUALS, OUR LIVESTOCK SHOW WOULD NOT BE A SUCCESS.

UTAH JUNIOR LIVESTOCK SHOW SALE RULES AND PROCEDURES

2022 SALE ORDER

Champions followed by a small rotation of species. For example 4 hogs, 3 lambs, 2 goats and 1 steer.

GENERAL INFORMATION

1. Sale begins at 10:00am on Saturday, May 7
2. Sale will be held in the main show arena
3. All animals are sold by the head
4. All Grand and Reserve Champion animals must sell and may be drug tested. They will also receive a tattoo according to state rules.
5. No animals will be purchased without a buyer number. Buyer numbers are available at the sales office prior to, and during the sale.
6. Payment for animals bought through the sale is due immediately.
7. All sales are final once an animal has been sold through the sale ring. No buying back or trading animals will be allowed post sale
8. If an exhibitor loses their check a \$25 stop payment fee will be assessed. The fee will be deducted from the reissued check.

METHODS OF BUYING ANIMALS

Personal/Take Home Use

If you would like to purchase a market animal to eat, or a ewe lamb or gilt to take home, use this method. You will bid on the animal and pay the FULL SALES AMOUNT. After the sale is final, you will need to show your buyer number and tell the ringmen where you would like your animal to go. If you are going to send the animal to the processor for your personal use, simply tell the ringmen which processor you would like the animal sent to. The processor will then contact you for cutting instructions. Please note: you will be responsible for all processing fees in addition to the purchase cost of your animal.

Boosting An Animal

If you do not want to purchase an animal for personal use, but you would still like to support a Jr. Livestock Competitor, you can elect to "Boost" the animal. In this case, you do not get to keep the animal. You bid on the animal and then PAY THE AMOUNT OF THE FINAL BID MINUS THE FLOOR PRICE. The floor price is the market value of the animal that the packer will pay to keep the animal and sell the processed products. This method allows you to support students in this endeavor, and reward them for their hard work. If selecting this option, bid on the animal and after the sale is final, show your buyer number and simply tell the ringman you want to "boost" the animal.

For example: You boost a market steer. Your final bid is \$1800.00; the floor price for the steer was \$1456.00; you would pay the final amount minus the floor price.

$$\$1800.00 - \$1456.00 = \$344.00$$

$$\text{(final bid)} - \text{(floor price)} = \text{(owed to boost the animal)}$$
