Cowboy Camp

Are you ready for a summer adventure in the country!

Nestled in the valley just south of Bear Lake, join us at Dot Bar Ranch for Cowboy Camp. Come and get a taste for the western lifestyle; from horseback riding to learning how to shoot a bow and arrow. You won’t want to miss out!

Youth will get to tour a local cattle ranch, learn more about where their food comes from, and taste some homegrown beef. The campers will also get to spend time at the Bridgerland Adventure Park, ride horses (optional), try their hand at archery, study the night sky, and learn leadership skills through various workshops. This three-day camp will be packed full of adventure!

USU Extension and Utah 4-H is thrilled to be offering the first of its kind, Mustang Camp! Many youth in Utah are not familiar with wild horses. This overnight camp will provide youth across the state the opportunity to learn about the federal entities dedicated to managing public lands, rangelands, wild horses, burros, and the relationship between healthy lands and healthy horses. The unique symbolism surrounding wild horses and burros makes management a unique problem, and is why education is crucial for implementing effective management solutions. Research has shown that providing educational opportunities outside of the classroom is an effective way of cultivating personal interest and conservation stewardship in youth. Our hope is that this camp is a step towards understanding and appreciating the uniqueness of our wild horses and burros.

Teen Summer Summit

Teen Summit is the Premiere Youth Leadership Training Conference, hosted by Utah 4-H, for youth in 8th – 12th grade who are interested in developing meaningful leadership skills. This event will provide experiences that build personal and teamwork skills that enable teens to do more. We believe strongly that not only are we building the leaders of tomorrow, we are empowering them to be leaders of today. Through workshops, team building experiences, social networking and a collaborative exchange of ideas, this conference will empower teens to see their ability to effect change now and in the future, preparing them for the challenges they face today and tomorrow. This will be a fun, interactive learning experience that will expand opportunities, build new friendships, and develop the interpersonal skills that promote success.
