

UTAH 4-H

STATE HORSE SHOW

Dear Sponsor,

The Utah 4-H State Horse Show is the pinnacle event for many of our 4-H horse program youth. Every September, this show brings hundreds of youth from across the state to showcase their hard work and dedication. It is not all about the competition however, the State Horse Show is an opportunity to make new friends, learn about careers in the equine industry, serve the greater community, and much more. This show is constantly growing, improving, and reaching more and more youth in Utah. For example, our new Utah 4-H App will be highlighting the show. This app makes downloading patterns and reviewing results easy, and it is an easy way to highlight our supporters and sponsors.

We know there are passionate people in the industry that want to see our youth succeed and grow in the industry. The horse loving youth of today will become the equine industry leaders of tomorrow. What better way to cultivate and encourage these youth than through 4-H?

We want to invite you to be a part of our program by becoming a show sponsor. We need dedicated equine professionals like you to support the continued growth and improvement of our program. We greatly appreciate your generosity and want to develop a mutually beneficial relationship where you receive the recognition and exposure you deserve.

Please review the attached sponsorship levels and form to see what the Utah 4-H State Horse Show can offer you in exchange for your support.

Thank you for considering our request,

Utah 4-H Youth Programs and the Utah 4-H Western & English Horse Councils
