Thought of the Week!

"The greatest good you can do for another is not just to share your riches but to reveal to him his own."
- Benjamin Disraeli

Fun Cheap or Free Activities

Have you reported your activities this month??

Did you know that it is vital that you report your activities? We need these reports to ensure each youth is getting adequate time with you, to see how things are going, and to ensure our funding!

This month get things going on your weekly activities by planning something together:

To learn

To see

To do

Here are some ideas!

Go for a hike, cook something new, learn a sport, watch and review a movie, do service (clean up the park, get canned food donations from neighbors), scavenger hunt, sidewalk chalk art, photo session, go to the library and get summer books to read and discuss, play with animals at the pound.
