Todd Black (USU CCES)
Adam Bronson
Wally Dodds (UACD)
Lisa Church (BLM)
John Keeler (FB)
Kevin Heaton (USU Ext.)

Information Presented

Discuss Piute county area and what to do with that area.

Discuss trapping efforts in Alton

Discuss projects for the past five years—how many acres-
location-land status

How to report on population numbers for leks in the area.
Graphs vs. written information

How do get past information of grazing practices etc.

Discussion Highlights

Next meeting scheduled for Friday July 30th at 12:00 noon at Alton town hall. **Lunch will be provided.**

Actions Taken

Todd to talk with Dave, Dwayne, Ernie, Rick to determine availability to try and trap grouse the last week of July and or the 1st week of August

Adam— to check with Darrel Heaton with the fields.

Kevin—to check with Heaton's as well.

Kevin to check with Andy Beckstrand to determine the

availability of Alton town hall.

The group to review the Upper Sevier Watershed management plan June 2004 and look for pertinent information on historical habitat trends, land management practices, vegetation types, etc. for our specific areas. As the group finds these—please email information to Todd—page number section etc.

Jake and Lisa to check past grazing allotments sheep vs. cattle-stocking rates, grazing regimes etc.

Follow-up Needed
