

CCLWG Meeting  
July 13<sup>th</sup> 2005  
10:00 am – 12:00 pm  
US Forest Service Building, Panguitch

**Members Present**

Adam Bronson, UDWR  
Nicki Frey, USU EXT  
Wally Dodds, USU EXT  
Ray Spencer, Kane County Commissioner

**Information Presented**

Adam – The BLM will start their sagebrush habitat improvement work around July 19<sup>th</sup>.  
Money for the truck is here. Need to get the details.

**Actions Taken:**

The group finished discussing the population management strategies.  
Adam and Nicki coordinated to set date for sage-grouse trapping at the end of the month,  
to collar hens.

**Follow-up Needed**

Field trip to check out the BLM treated sites. Determine if seeding or follow-up  
treatment needed to improve land recovery.

**Next Meeting date:** Wednesday September 21, 2005. 10am in Panguitch at the Forest  
Service building.
