Planning/update
meeting

Members Present;

Todd Black (USU CCES)
Adam Bronson (UDWR)
Renee Chi(USFWS)
Nicole Frey (USU CCES)
Wolly Dodds (UACD)
Kevin Heaton (USU Ext.)
Jeff Albrecht (GARKANE)

Information Presented

The group discussed the SOP and what it means. Todd asked the group to have comments to him or Terry by the first part of December.

Several seeding and dixie harrow projects going on right now with the division.

Actions Taken

Group set May 1st to have a working draft—for review to share with other members of the group.

Todd to take old CCLWG plan and take content from that plan and put it into the new plan out line.

Todd to email out a .jpg map of the major unit and sub unit. Show leks and merge lek and polygon tables together and email that out as well.

Wally/Kevin to review watershed plan for general information describing habitats, vegetation, climate etc.

Pre treatment bull hog project around Alton Sink Valley. We need to make sure we have some sort of pre-treatment wildlife transects. Nicky to talk to Lisa and work out the details.

Kevin to talk Elden/Christy to discuss Equip and WHIP and other programs within the NRCS.

Group to go over SOP to finalize and make it fit to our local working group area.

Follow-up Needed

Next meeting will be to work through portions of the plan. Work on the actual plan to incorporate data and information from individual assignments.
