Information Presented

Discussed trapping during the next couple of days.

Group went through the MOU and made minor changes. These will be emailed out the group along. We need to make sure these get signed PDQ.

Lisa Church discussed the proposal for coal strip mining south of Alton. She committed to get the official info to the group when it comes out.

Actions Taken

Discussed trapping during the next couple of days. We will be trapping around the Alton lek for the next couple of mornings. We will meet on the lek at 3:30AM Thursday and Friday morning.

Per the SOP the group decided to meet the second Wednesday of every other month starting at 10:00 AM May 11th and every other month there after at 10:00.

Follow-up Needed

Kevin H. to make sure county commissioners get the MOU (hard copy to review/sign/discuss at their next commissioners meetings.

Sarah--MOU for the BLM needs to have two, one for the

Monument and one for the Kanab Field office. Also double check all the MOUs to make sure the BLM is included.

Wally to give name for local livestock association and who signs. Have Allen sign SCD and the Wally sign the other livestock.

Coal proposal—to be discussed at a future meeting.

Adam to check with Jake to make sure USFS gets the building scheduled.

Group to have their assignments (from January and comments on Chapter 1 and MOU finalized this means a signed copy by who ever is supposed) to Nicky by May 2nd
