

WEST BOX ELDER CRM NOXIOUS WEED PLAN

2/21/12

Box Elder County Weed Department

CRM Priorities

2

- Priority
- 1. Early Detection and Rapid Response
- a. Establish method for utilizing field personnel (ranchers, sportsmen, agency people etc.) to share new infestations they see in the field (USU Extension website idea, gps, smartphone discussion)
- 2. Increase Cooperation Across Management Boundaries
- a. Consolidate mapping of all parties (BLM, FS, BE County, private landowners)
- b. Representative from the area on the County Weed Board
- c. Send local priority weed lists to County Weed Board
- d. Establish Cooperative Weed Spraying Day (PV, GC, Yost)
- 4. Education

Increase Cooperation Across Management Boundaries

4

- Consolidate mapping of all parties (BLM, FS, BE County, private landowners)
