

## SWARM 4-12-16

---

### Attendees

- Dan Fletcher
- Randy Marshall
- Chad Reid
- Nicki Frey

Went over Movebank data

Went over the FWS position statement on grazing. Send to group.

Chad - Arizona Strip meetings last week. Put the plots out for the Bayer chemicals to control cheatgrass. "Esplin8", "Roundup", "control"

Jason - Lek counts are up. Mudsprings had males in the 30s. Poorman Flat had numbers in the 20s. The peak for lower elevations was in early March.

Dan - let's try to get summer technicians to grid search Pine Valley in August.

Waiting on resilient landscapes funding to trickle down.

Chipman Peak EA about to go out; 120,000 acres

Pine Valley and Mtn Home EAs also going out soon.
