

2024 SUMMER CLASSES

Summer is coming fast and we are excited to share what we have planned! All classes will be held at the Extension Building at 55 South 500 East, Heber.

To register, all participants must be 8 years old and finishing or have finished 3rd grade. Be sure you have a current 4H membership at 4H.zsuites.org.

After registering your membership on Zsuites, go to Eventbrite.com, and sign up for your class(es) and pay the class fees.

When registering, be sure to use your CHILD's name. Class fees are NON-REFUNDABLE. Any questions? Call us at 435-657-3235.

SEWING/QUILTING CLASSES

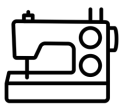

Sewing I Camp

July 8-11 | 10:00am - 12:00pm

Projects include: pajama pants, crossover bag and apron.
Prerequisite: Sewing I and going into 6th grade.

Quilt Camp

June 18-21 | 2:00 - 4:00pm

Cost \$20 plus fabric

Make a fun sized lap quilt. Batting and use of quilting machine will be provided. Youth need to be going into 6th grade or older and have completed Sewing 1.

Cross Stitch Class

June 27 | 3:00 - 4:30pm

Cost \$10

Learn the art of cross-stitching from basic technique to creating your own personalized designs.

COOKING CLASSES

Junior Master Chef 1

Online | Any time

Cost \$10

This class is on video and is done at home. Youth will receive the video link for each class as well as a binder with all the information and recipes for the class. Do it any time with family or with a group of friends.

Junior Master Chef 2

Online | Any time

Cost \$10

This class is on video and is done at home. Youth will receive the video link for each class as well as a binder with all the information and recipes for the class. Do it any time with family or with a group of friends. Pre-requisite: Junior Master Chef 1.

COOKING CLASSES CONT.

Dutch Oven Cooking

June 13 | 4:00 - 6:00pm

Cost \$10

Learn the process of cooking a dutch oven dinner. We will learn how to control the temperature of a dutch oven, and how to ensure the food is cooked properly. It will prepare us for the Cooking Contest in the Fall.

Artisan Pizza Class

June 27 | 10:00am - 12:00pm

Cost \$10

Young chefs will be introduced to the art of pizza making. They will learn to make the dough, select fresh ingredients, and craft their own personalized pizzas from scratch.

Waffle Class

July 2 | 10:00am - 12:00pm

Cost \$10

You can make more than just waffles in a waffle maker! Learn how to make and enjoy waffles for every meal.

OTHER CLASSES

Child Care Camp

July 9, 10 and 11 | 2:00 - 3:30pm

Cost \$25

Youth will learn the responsibilities of being a child care provider. Learn skills such as First Aid and CPR as well as learn how to create age appropriate activities and snacks. They will create a child care kit to use and enjoy. For ages 10 years old and up.

Painting Class

June 12, 13 | 10:00am - 12:00pm

Cost \$10

Come and learn basic painting techniques and working with different mediums.

Round Weaving

July 2 | 2:00 - 3:00pm

Cost \$10

Learn how to do round weaving using various textile yarns. Your creation will beautify any space!

OTHER CLASSES - CONT.

4-H Entrepreneur

May 29, June 5, 12, 20, July 3, 10, 17, 22
4:00 - 6:00pm | Cost \$20

The 4-H Entrepreneur class teaches youth how to start their own business to sell products or services. They will attend eight 2-hour classes, that will teach them how to set goals, choose a product and obtain a business license. Also, they will create a business plan and budget, find an investor, purchase supplies and learn how to brand and advertise. For ages 12 years old and up.

4H in the Garden

Tuesdays throughout the Summer
10:00 - 11:00am
Cost \$25

The class will provide youth with a season long, hands on opportunity to learn about growing vegetables, herbs and flowers in our on-site garden.

June 11: Warm Season Plants

- Learn about warm season plants and then we will get our hands dirty putting some in our raised beds. You will take some seeds and transplants home.

June 25: Insects in the Garden

- Learn about the good ones, the bad ones, and how to encourage the one and discourage the other!

July 9: The Importance of Soil and Water

- Learn how soil and water influence plant growth. Students will bring some soil from their yards and learn a simple test to determine sand, silt, and clay percentages.

July 23: The Importance of Sunlight

- Learn why light is so important for plant growth and see the results of photosynthesis using refractometers.

August 6: Salsa Party

- We'll make some salsa from the onions, peppers and tomatoes that we grew!

Cut Flower Arrangement Class

July 31 | 2:00 - 3:00pm
Cost \$20

Let's bloom together! Youth will explore the art of arranging beautiful bouquets. They will learn the basics of color, shape and balance while creating stunning floral masterpieces.

Gnome & Fairy Garden

June 4, 5, 6 | 1:30 - 3:30pm
Cost \$20

Youth will embark on a magical journey as they design and create their very own miniature gardens for gnomes and fairies alike.

Scan this link for more information and to register for classes

OTHER CLASSES - CONT.

Herb Garden

June 18, 19, 20 | 10:00 - 11:00am
Cost \$15

Come learn how to care for herbs, learn culinary applications, and incorporate them into self care.
