April Messages

Spring is here! A time for change and new beginnings. Summer is fast approaching! 4-H has so many wonderful opportunities for youth to take advantage of doing. Be sure to take a look at the many upcoming 4-H activities below and mark your calendars!

Thanks for all the wonderful things you are doing. It has been a long Winter, but a super Spring and sensational Summer filled with fun are just around the corner. Take advantage of the many camps and activities available on both the State and local levels.

Have a great Spring!

David Widdison
Weber County 4-H
Program Coordinator

This past month I was able to have the remarkable experience of attending the 4-H Ignite Conference in Washington DC with the State 4-H Agriscience Ambassadors. We were able to attend enriching workshops and hear from keynote speakers who shared how 4-H can expand our opportunities. It was inspiring to see over 1,200 youth from across the nation learning 4-H skills together. I even was able to meet some youth from my hometown of Cochise County, Arizona. Next year's conference is already scheduled for March 2025 and I would love to assemble a team from Weber County. Let me know if you are interested and we will start making plans to make it happen!

My name is Rosie Smith, I've been riding and showing horses ever since I was 8 years old. I joined 4H shortly after getting my first pony in 2008 and was in the Hoofprints Club for 10 years. I was very involved in 4H and competed in the county contests as well, going to nationals for horse judging and hippology. I was also a Weber County Horse Ambassador for several years. I got into English riding through 4H and now am a 3 day eventer. I have traveled all over the country going to eventing shows and even had the opportunity to show in Ireland last year. I have experience with all types of horses and disciplines and am excited to share it!

Spring Small Animal Showdown

Registration is open NOW for the Utah 4-H Small Animal Showdown! This event is held April 13th at the E. Millard Indoor Arena in Fillmore, Utah. It is open to all youth in grades K-12 and you do not have to be an enrolled 4-H member to participate.

The Spring Small Animal Showdown is an opportunity for 4-H youth involved in Pet Advocate, Small Livestock, and other companion animal projects, to come together for a day of learning, networking, and fun!

The event includes clinics and workshops in the morning, lunch (provided with registration), and showmanship contests in the afternoon. We have some great presenters and prizes and we want everyone to come! You don't need any experience with showmanship and we'll have extra animals for youth that want to try showing a rabbit or chicken.

Utah State Jr. Livestock Show Legacy Scholarship

What a legacy that has been built over the last 100 years! To continue with that tradition of encouraging the success of our youth, we would like to announce the USJLS Legacy Scholarship! We are so excited to start this scholarship that will continue on for years to come!

All graduating seniors entered in the show are eligible to apply. We wanted to make this a unique scholarship that was an investment in the future of our youth. We are so thrilled to be adding the awesome opportunity to our show!! Questions? Email us at: usjls100@gmail.com

Livestock Education Tests

What is a great way to learn about livestock?

- A** Read the handbook
- B** Study with friends
- C** Take the monthly 4-H Livestock Education Tests

Log in to ZSuite to participate

Jr. Livestock Education Tests

- This contest runs October through July
- Every month there is a test for each species: beef, sheep, swine, & goats
- All of the questions for the test come from Ohio State University's resource handbooks, which are available for purchase from the 4-H office for around \$30 each, depending on the species
- Each month's test will focus on a different chapter, or two, of the handbooks (see the schedule on the next page)
- The test questions are a combination of true/false, multiple choice, and fill-in-the-blank
- Tests are open book with a time limit of 30 minutes
- Tests will close the last day of each month
- At the end of the contest, awards are given for each species in each age division

How to take the tests:

- Youth must be in 3rd-12th grade
- Youth must be enrolled in 4-H with fees paid
- Log in to [ZSuite](#)
- Click on "Events"
- Search for "Livestock Education Tests" to find the current month's test
- Select test
- Youth can take the tests for all 4 species
- Youth DO NOT have to be raising that species to take a test

Congratulations to the youth who excelled in the March 2024 Tests:
