Weber County 4-H FAT QUARTER WORKSHOP & CONTEST

A Fat Quarter is a piece of fabric cut 18" off the end of the bolt and then cut in half on the fold. Four of these put together still make up 1 yard of fabric. A fat quarter is usually 18" x 21" of fabric.

MARCH 7TH @ 10AM

4-H Office (1181 N Fairgrounds Dr. Ogden, UT 84404)

- Create something with your fat quarter that fills a need
- Design your project using 85% of the fat quarter
- You may add other fabric and materials, if needed

Sign up on ZSuite
Pick up your fabric, stay for the workshop, and/or work on your project at home!

BRIGHT STRIDES

new horse club:

MEET THE ADVISOR

My name is Kaitlyn! I'm the advisor of the Bright Strides 4-H club.

ABOUT ME

I have been involved with 4-H for 10 years, as both a youth and advisor. I served as an ambassador, participated in county contests, and learned to love horses and my community as a Weber County 4-H club member. Now, I lead the Purple Sage riding club that I grew up in! While I enjoy working with horses, my passion is empowering and educating the youth around me.

MY FAVORITES

- Arts & crafts
- Palominos
- Chicken Sandwiches
- Pink
- My horses!

FUN FACTS

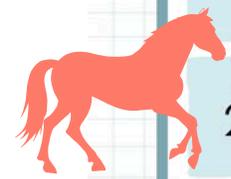

I get to travel to horse shows across the country for my "real job" as a show manager. My 4-H skills and connections made this job possible!

FEBRUARY SCHEDULE

Bright Strides meets at 7pm on Monday nights at the Weber County Extension Office. Club meetings will focus on Utah 4-H horse program study material supplemented with interactive lessons and activities.

- FEB 2** Meet the Advisor Night
Come to the 4-H office between 7-8 to meet Kaitlyn and get a treat!
- FEB 9** Tack & Equipment
Identify types and parts of saddles, bits, and other equipment
- FEB 16** Office Closed
Meet at Smith and Edwards to look at tack and apply last week's lesson!
- FEB 23** Office Closed
Enjoy the week and I will see you in March!

CONTEST!

- This online contest runs October through July
- There are monthly tests for four different species (beef, sheep, swine, & goat)
- Youth must be in 3rd-12th grade and be enrolled in 4-H to participate
- Youth can take tests for all four species each month
- Youth DO NOT have to be raising a species to take its test
- At the end of the contest, cumulative awards are given for each species in each age division
- All of the questions for the test come from Ohio State University's resource handbooks which are available for purchase from the 4-H office for around \$30 each, depending on the species
- Each month's test will focus on a different chapter, or two, of the handbooks (see schedule)
- Tests are open book with a time limit of 30 minutes
