Registration and Patterns

- The cost is \$15 to register for a show
- Registration will close 7 days before the show
- Patterns will be sent out after show registration closes

Tests

- Online tests will open after show registration closes and be available for 3 days
- Tests are scored on a 30-point scale and include bonus questions for tie-breakers only
- Test scores will be converted to a 15-point scale for show points
- Exhibitors will be allowed 20 minutes to test
- Tests are open book
- Late registration is an additional \$10 and closes when testing ends
- All exhibitors must have completed the test by the test closing deadline
- All test grievances must be resolved before the show begins

Email

- The email address listed in ZSuite on the Personal Account Profile will be the email address which will be used to send tests to the youth, NOT the Household email address
- It is highly suggested in ZSuite under each youth Personal Account Profile, to enter the email address you would like your tests to be emailed to
- The email address your test and scores will come from is sharon.bee@usu.edu, however this will be sent through the Google Forms Quilgo program and might be sent to your junk email. Please check this folder
